1]	LETTER OF INTRODUCTION.....	1 - 21
	(<u>ENOUGH!! THAT'S IT!! NO MORE LIES!!</u>)	

THE BIRTH OF HENRY CLIFFORD KINLEY

To George and Ada Kinley a son, Henry Clifford, was born September 30, 1896 in Greenville, Kentucky. The Kinleys moved to Springfield, Ohio while Henry was a young boy. He attended school through the fifth grade, passed to the sixth, but did not return to school. Instead, he went to work with his father in a foundry to help support the family. His young life included riding wild horses, boxing and becoming a professional molder.

THE BIRTH OF KATIE GLENN

To Arthur and Arlena Glenn, a daughter, Katie, was born April 9, 1896 in Chattanooga, Tennessee. Arthur Glenn went to Springfield, Ohio seeking work to take care of his family. When he did find steady employment there, he moved his family to Springfield.

MARRIAGE OF HENRY C. KINLEY AND KATIE GLENN

Henry C. Kinley was still working in the foundry with his father when he met Katie Glenn. They fell in love and they desired to get married. Henry was seventeen at the time, so in applying for a marriage license, he changed the year of his birth from 1896 to 1895 to appear already "18" years old. Therefore, he did not need the written consent of his parents to marry Katie. Henry and Katie were married on March 27, 1913 and began their lives together in the home of his parents.

THE BIRTH OF HENRY AND KATIE KINLEY'S CHILDREN

After four years of marriage, Henry and Katie's first child was a boy born January 1, 1917. He was given the name, "Clifford". On March 7, 1918, their second child was born. He was given the name, "Richard". On August 20, 1920, their third child was a girl, stillborn. Her name was to be "Katie". The fourth child was a boy, born September 22, 1921. Katie favored a first name of initials only and named him "R.P." The fifth child was born on January 17, 1923. She was named "Arlena Ada" after the Mothers of Henry and Katie, but she was fondly called "Lena". On December 11, 1924, the sixth child was born. She was given the name of "Rachel Maxine Lorene". On April 22, 1927, the seventh child was born. He was named "Glenn" after his Mother's parents' last name. The eighth and last child was born on September 20, 1928. He was given the name "Jack Lamar".

DR. HENRY C. KINLEY, ASSISTANT PASTOR

As a small child, Dr. Kinley's Mother would take him by the hand to church. On several occasions, he remembered asking his Mother, "Is God going to be there today?" His reason for asking this question was because, even as a child, as often as he was taken to the "House of God", he thought God ought to be home some time, so he would get a chance to meet him. Dr. Kinley, in later years, talking about this question that he had asked his Mother several times said, he did not remember her giving him an answer. After a brief time of boxing, in the "heavyweight" division (which was called fist-a-cuffs in those days), he defeated every opponent until there were no more in his weight division. Therefore, he was forced to retire. Even then, Dr. Kinley had become very much interested in knowing something about the Creator.

As the family grew, he had become so well versed in the Bible, that he could actually quote it from Genesis to Revelation. Aside from this, he spent a fortune on volumes of books from every known religion; commentator; and chronologist that he could find. He had become interested in religion before his first Son was born. While yet being a young man, Dr. Kinley became the Assistant Pastor in a holiness church. Part of his duties included, being in charge of the healing services by which many were healed, including the Pastor of the church, who had been stricken with a high fever and confined to his bed. Even though Dr. Kinley and the Pastor had been good friends as young boys before working together in the same church, there was a doctrinal difference that existed between them. The Pastor contended that there were two works of Grace. The first was to get water baptized. The second was, that later on you would receive the baptism of the holy ghost. Dr. Kinley contended that Grace was not a work at all, but an unmerited gift from the Creator. During this time, while serving as the Assistant Pastor, he had accomplished mastering the art of molding piano plates.

DEATH IN THE FAMILY

On August 20, 1920, Katie, the third child, was still-born, and on March 16th of 1924, the second child, Richard, passed away at the age of six years and nine days, while those that had already been born in the family, were living on Virginia Avenue in Springfield, Ohio. As was the custom in those days, the home was quarantined so that others of the family and friends could come up on the front porch to view Richard's body. The casket was tilted and seen through the picture window.

One evening, Dr. Kinley sat on the front porch. Richard's body lay out behind him (ready for burial) and he was troubled deeply within himself. The question that troubled him was, if he was to be a preacher or not. If he was not to be a preacher, was the Creator punishing him by taking his son from him? Though grieved, he continued

to work in the foundry to take care of his family, and he and his wife Katie continued in the church where he served as the Assistant Pastor.

DR. HENRY C. KINLEY FALSELY ACCUSED

After fifteen years of faithful service as the Assistant Pastor, and healing so many people of all manners of sickness, including the Pastor, the same people accused him of adultery with a woman that attended services. She was not only a loyal friend to the Kinley's, but to everyone that knew her. Dr. Kinley was put out of the church without having the opportunity to defend himself. This he simply could not understand; for some of the accusers were people that knew him from a child up. He talked with his wife about having been so mistreated. Once, while talking to his Mother Ada, she advised him to confess to the charge against him, in hopes that they would forgive him and receive him back in the church. His response to her was, "Mama, I will **never** confess to something that I did not do".

All of the children of the Kinley's had been born. The last one being Jack, who was born September 20, 1928. Henry and Katie, with their six children, moved to 1008 Park Avenue in Springfield, Ohio. Some time in 1929, while working as a molder for so many years, Dr. Kinley suffered a severe lower back injury. After several doctor and hospital visits, he was put in a body cast that was from his waist up to under his arms. He wore this cast for several months, but was never physically able to do foundry work ever again. Even though hard times and the depression, that had come all over the country, the family stayed together. Dr. Kinley, being troubled about having lost two children; the disagreement with the Pastor about two works of **Grace** that could not be reconciled; and being put out of the church, (having been falsely accused and not being permitted to defend himself); had now been permanently disabled him to the point that he was concerned about taking care of his wife and six children. He would go walking to nearby creeks and rivers with his fishing poles and dog, not necessarily to catch fish, but rather to be alone. While sitting quietly, he marveled at the creation, with its deserts, singing streams, and the glory of the Sun, Moon and Stars. He wanted to know, "What was the mystery that the Universe held?"

THE PANORAMIC VISION AND PANORAMIC REVELATION

The living and dining rooms at 1008 Park Avenue, had recently been redone with new wallpaper. On Friday morning, JUNE 6, 1930, Dr. Kinley got up early (as was his custom for many years), went downstairs through the diningroom, into the living room and sat down. He admired the new wallpaper. The design was beautiful with soft pastel colors of many birds in several angles of flight. The house was quiet, and at a few minutes to nine, Dr. Kinley's thought and prayer was, "There ought to be a way to reconcile Man all over the world to see and understand the purpose of the Creator the

same way". At NINE O'CLOCK, Dr. Kinley fell into a deep trance and received a Vision direct from YAHWEH. As he became aware, to some degree, of his earthly surroundings, his wife Katie and the children assisted in getting him back upstairs to the bedroom. He did not say anything, and after getting him comfortable in bed, he fell into a deep trance again and received a Revelation of the divine meaning or understanding of the Vision he had seen direct from YAHWEH. Dr. Kinley explained that, while as yet in that realm of Source and Substance (which is the Life and Light of every Man), YAHWEH-ELOHIM asked "What will you do with what I have shown YOU?" He cried out, "I know not!" Again, YAHWEH-ELOHIM asked "What will you do with what I have shown you?" Once again, he cried out, "I know not!" For the third time YAHWEH-ELOHIM said, "Answer Me O Man, What will you do with what I have shown you?" This time He answered, "I will show it to my fellow man!" After this, He was permitted to return to his natural surroundings wherein his wife and children had gathered around him, not knowing what had happened to him. His first words to his wife, Katie, were: "From this day (JUNE 6, 1930) forward, I'll never be the same any more." Dr. Kinley now knew and understood that it was by the Grace of YAHWEH, that he had been made to know the mystery of YAHWEH and that it was YAHWEH that revealed the mystery that the Universe held. He had now been given the answer to his prayer and the key as to how Man would and must be reconciled all over the world!

THE STARS - YAHWEH CONFIRMS THE VISION AND REVELATION

Dr. Henry C. Kinley had received, direct from YAHWEH, the Greatest Panoramic Vision and Revelation ever given to man, in that he received all that Moses had seen; all that the Prophets had seen; and the Revelation that John saw on the Isle of Patmos. A few nights later, he sat on the front porch and thought he was not an evil, immoral person to the extent that he would need a Vision and Revelation just to straighten him out. So, he questioned within himself, "YAHWEH, is what I saw OF YOU?" He pointed to a star and said within, "If so, let that star fall." Immediately, the star fell! He thought, 'that was a coincidence'. So, he pointed out another star and it fell! Still, he was not sure or satisfied. So the third time, he pointed out a star that appeared to be higher, amidst a cluster of stars. As he fixed his eyes on this star, he said within himself, "YAHWEH, if you let that star fall, I will never doubt that what I have seen IS OF YOU." All the while, he kept his finger pointing at the star, and kept his eyes steadfastly fixed on the star. He waited. He watched. It fell.

YAHWEH-ELOHIM, while Dr. Kinley was yet in that immortal state asked, "What will you do with what I have shown you?" After the third time, Dr. Kinley answered, "I will show it to my fellow man." He **now**, having been permitted to return to his earthly surroundings, asked of YAHWEH to let a star fall, if what he saw was OF HIM. After the falling of the third star, he did not doubt that what he had seen was OF

YAHWEH. This sealed the covenant between YAHWEH and Dr. Kinley. They had become ONE! After the covenant was sealed, Dr. Kinley asked YAHWEH for the gifts of prophecy and healing, that he might prove to his fellow man, that by what he was going to teach them, they would know YAHWEH was with Him!

DR. HENRY C. KINLEY RESEARCHES

Dr. Kinley went back and re-read the Bible, the same book that he could quote from start to finish. It read just like he was shown by way of Vision and Revelation, and now it was confirmed by the falling of three stars, that it was OF YAHWEH. He knew also that the true names had been taken out of the Bible and that there were many mistranslations, spurious phrases and misinterpolations that translators and scribes did in Hebrew, Greek, English and other languages. Dr. Kinley alone, had the awesome task of facing the whole world, which had been carried away by doctrines of devils. Nevertheless, he had made a promise that he would teach his fellow Man exactly what YAHWEH had shown him. He bought some composition books, pens, pencils and things he would need to write the Vision and Revelation. He had learned the lesson of getting alone some place where it was quiet and peaceful, so that he might concentrate on the great task set before him. There were times he would even go up into the attic, to be alone, if there was something going on in other parts of the house. Dr. Kinley, even though he only had a fifth grade education, was very articulate in his expression of words, and he understood them and the root of how they were formed. Time after time, he tried but was never satisfied with what he had written. He remembered all the books he had read by the "so called" wise men, that had written long before him. He knew that there were thousands of books, volumes on any subject Man could or would want to read about. He knew all too well that the true answers Man needed to know about the Creator, His Purpose and Plan of Salvation, was not in any of them. Even though much of the purpose of YAHWEH was in the Bible, unless YAHWEH reveal it to Man, by the same inspiration whereby it was written, Man simply would not understand it. So, he came to the conclusion at that time, that one more book on the market would not do any good. He knew that he had to find a way to teach and show what had been given to him direct from YAHWEH. He was very much aware that people of all nations had been taught erroneous names of the Creator, and were steeped in traditions and customs. Knowing that what he would be teaching was so revolutionary, that taking the erroneous names out at the beginning of his teaching, would be too much for people to accept. So, he had to come to another conclusion, that he would not reveal the true names until people really understood something definite about the purpose of YAHWEH. Then and only then would he reveal the true names. **The true names have since been set into place through this writing.

THE ELEMENTARY CHART

*Dr. Kinley, in searching for a way to make known the mystery of YAHWEH given to him by way of a Vision and Revelation, remembered that in his travels, the Apostle Paul had parchments or charts that he used in teaching. Paul wrote to Timothy, his son in the faith, to bring them with him when he came from Troas. So, Dr. Kinley decided this would be the way to start. The first chart was done on a table size piece of oilcloth. But that was not going to be very durable for a long period of time, and would eventually crack and peel from being rolled up and down. Dr. Kinley then took a white sheet for a double bed, got an artist to oil paint (according to his instructions), exactly what he wanted drawn and painted, including the design and colors. Finally, this Elementary Chart was finished, and Dr. Kinley wrote a charter and opened the school on June 22, 1932 in Springfield, Ohio. From FRIDAY, JUNE 6, 1930 TO WEDNESDAY JUNE 22, 1932 are the two years that he often talked about, that he walked around in a semi-melancholy state, before he began to teach. He went on to say that people, knowing he had suffered a back injury, would say that his injury had traveled up his spinal column and affected his brain. Therefore, during those two years, he **never** mentioned anything to anyone about the Vision and Revelation he had received on FRIDAY MORNING, JUNE 6, 1930.*

The Elementary Chart was the Chart used in classes, and it served as an immeasurable visual aide to “see” and “understand” this great revolutionary gospel, as Dr. Kinley taught it. When his parents, George and Ada, heard him preach, his Mother walked up to him after class and said, "Son, I admit that I gave birth to you, but I have to also admit that I never knew all of that was in you." Now that Dr. Kinley knew where the Creator dwelled, he converted his parents and answered the question that he had asked as a child: YAHWEH dwells within! This Chart, that was painted on a bed sheet, was the only one used for fourteen years and became known as the "Elementary Chart". Dr. Kinley, with his wife and children, moved to several homes in Springfield, Ohio. He started to work for an insurance company and when he was doing well as an agent, he moved his family to 810 Burns Avenue in Wyoming, Ohio, for a few years. Then he moved the family to 419 West 7th Street, Cincinnati, Ohio which was closer to the insurance office where he worked.

THE FORTY PLATE CHART

While Dr. Kinley lived at 503 Lincoln Park Drive in Cincinnati, Ohio, his second oldest living Son at the time, R.P. and his family, lived with him. R.P. had promised his father that he would paint a chart for him, that would illustrate the purpose of YAHWEH in a more detailed way. Dr. Kinley wanted R.P. to start with ELOHIM, The Archetype Pattern of the Universe, Theosophy, The Pattern of the Tabernacle and draw out the Creation, day by day. The Elementary Chart did not have the Abrahamic Promise drawn on it, so Dr. Kinley wanted it drawn out on this Chart. R.P. started painting in 1944, and after he really understood what his father wanted: how all things must be according to YAHWEH manifested in ELOHIM, The Archetype Pattern of the Universe, and how to prove this by the three-fold Tabernacle (given by Divine instructions) that was built in the Wilderness of Sinai, he knew how to complete the Chart.

*R.P. finished the Forty Plate Chart in 1946 and it was copyrighted the same year.
R.P. kept his promise to his father and his father was pleased.*

THE FIRST MOSES CHART

Shortly after the Forty Plate Chart was finished, the same year, while still living at the same address, Dr. Kinley said to R.P.: “There ought to be a way to make a chart that would give a “bird’s eye” view of the purpose of YAHWEH manifested in sacred history, as it correlates the Vision of the Creation given to Moses; the events that took place by the Patriarchs; and the Revelation given to John to confirm Moses and the Prophets.” One night, soon thereafter, R.P. went to bed with what his Dad had talked to him about, and had a dream as to how to do this chart. The next morning, R.P. took a piece of canvas that was left over from the Forty Plate Chart, and drew and painted the First Moses Chart. When Dr. Kinley came home from work that evening, R.P. laid the chart out on the dining room table and showed it to him and asked, “Is this what you were talking about?” Dr. Kinley, with a very pleased look on his face again, as he looked at the chart said, “Yes R.P., that’s it!” This Chart was painted on a relatively small piece of canvas, but Dr. Kinley used it in the classes he taught.

THE SECOND MOSES CHART

About 1948 to 1950, Dr. Kinley's youngest child, Jack, drew and painted a larger copy of the Moses Chart while living at 2430 Lexington Avenue, Springfield, Ohio, and working full time as a barber. When this chart, painted by Jack, was finished, it replaced the smaller one for classes taught by Dr. Kinley. Jack had also pleased his father and his father was pleased with his Son.

THE CURRENT MOSES CHART

This pictorial history of the Moses Chart began in 1946. It was made by R.P. Kinley. Later a larger one was made by Dr. Jack L. Kinley. Even now, 1994, forty-eight years later, The Moses Chart reveals the skill, patience, love and devotion that Dr. Henry C. Kinley had, to raise people up to understand the Vision and Revelation he received JUNE 6, 1930. Though Dr. Kinley taught the same things from the time he began to teach in 1932, it was not until years later, in California, that we asked his permission to add to the Chart, that which he had always taught, as we understood Him.

Listed are the changes, corrections and things added per Dr. Kinley's instruction.

(From left to right beginning at the top of the Chart)

- *Series No. 1 – ELOHIM, The Archetype (Original) Pattern of the Universe;*
- *Copyrite 1968 by Henry C. Kinley and Carl F. Gross, drawn by R.P. Kinley;*
- *YAHWEH is Spirit, manifesting within the cloud symbolizing Eternity – Jerusalem above;*
- *First, Exterior Creation by the Pattern, Last Interior Eternity;*
- *The mouth (drawing), the nine Divine Major Attributes written in the cloud;*
- *(Moses) Panoramic Vision of Elohim to Moses 1490 BY. YAHWEH Elohim Yahshua, Sabbath;*
- *Panoramic Vision of Elohim to John AD. 96 – Isle of Patmos in the Aegean Sea;*
- *Vision of Elohim in incorporeal form;*
- *Mt. Sinai in Arabia, Aaron, Nadab, Abihu and 70 Elders;*
- *Yahshua standing with Moses (heart shaped tables of stone, with Hebrew Ten Commandments) on plateau of mount;*
- *Pictures and names Mt. Sion, temple – Mt. Moriah, Most Holy Place, Jerusalem, Canaan Land;*
- *Melchizedek Priesthood, Abrahamic Promise 430 years before Mosaic Law;*
- *Moses at the burning bush (picture with angel in bush) Ayah Asher Ayah;*
- *River Jordan, (picture with Ark of Covenant, cloud over Mercy Seat, Archangels, and priests) Mt. Nebo;*
- *Words – Transfiguration, Yahshua sunset Ascension, Vision, AD 32 Tabor, AD 33 Olivet, 70 Chosen Mounts;*
- *Pictures and names of Moses, John The Baptist, Peter, James and John;*
- *Pictures and names of Golden Calf, Cloud, Tabernacle, Wilderness of Sinai, Holy Place, Woman clothed in the Sun, Jerusalem, Baptism – Holy Spirit, Pentecost;*
- *Red Sea, (picture of Angel in Cloud, Hand with Staff in it);*
- *Picture – Yahshua and John The Baptist, AD 30 Baptism, Mouth in Cloud over Yahshua and John;*
- *Words and Pictures – Earth inundated in water, BBYM, 4000 is BBYM 1490, (dove included), Flood BBYM 2348;*
- *Picture and words – meeting tent, Yahshua, Moses, Aaron;*
- *The Israelites and Pharoah, Outer Court;*
- *Words, Passover Feast 1490 BY, Egypt, Blood of Paschal Lamb;*
- *Picture and words, Blood of Lamb of YAHWEH (Cloud with Dove over the Cross) Yahshua, Friday 1000, Death;*
- *Words, Saturday 2000, Burial;*
- *Words, Joseph's New Tomb 300; and*
- *Words, Sunrise, Jerusalem, Sons of Elohim, Resurrection.*

REQUEST FROM THE SCHOOL TO DR. HENRY C. KINLEY

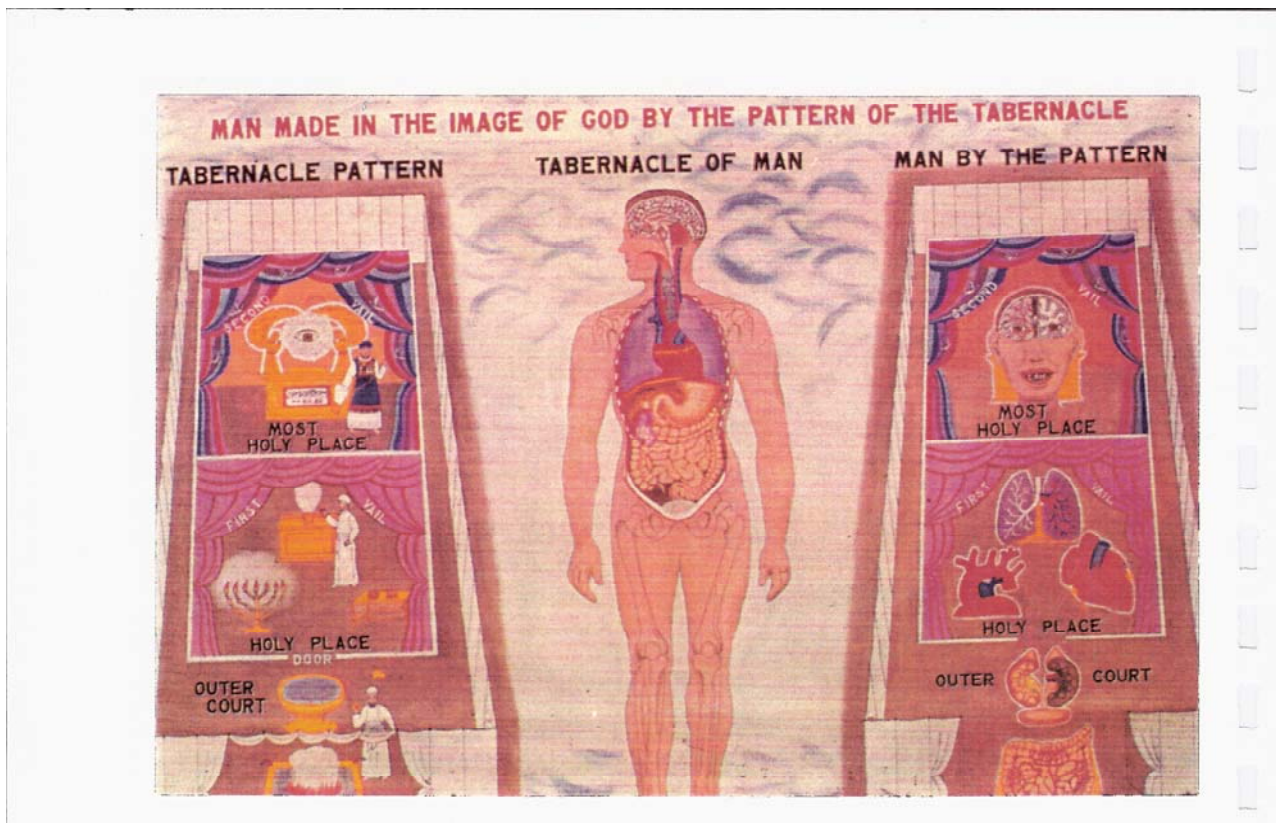

Dr. Kinley had worked very hard in the insurance business, and had reached the position of Home Office Representative, over seven states. This position kept him traveling a lot. He visited each insurance office, long enough to see to it that it had everything it needed and was self sufficient in all of its operations. The School asked Dr. Kinley if he would come from wherever he was and teach every third Sunday of the month, while Dr. Kinley was absent, the classes were taught by the Co-Founder and President, Dr. Carl F. Gross. Dr. Kinley consented to come every third Sunday of each month and teach the classes that were assembled in one place, mostly in Lockland, Ohio, without fail, through all kinds of weather. Dr. Kinley really opened up in these classes and if you really listened, you could discern that he was everything he taught. He taught that you never want to pick up anything in the middle. Therefore, he always began in the Spirit, the Source and Substance of all things invisible, and would prove everything he would say by the visible or physical creation in its sum total, with such unerring accuracy and power, as he revealed the deep esoteric secrets of the purpose of YAHWEH, in such infallible simplicity. He proved, by the scriptures, that YAHSHUA WAS YAHWEH the ELOHIM of Israel that instituted and fulfilled every jot and tittle of the law and the Prophets, whereby he accomplished everlasting salvation. This great mystery was first revealed to the Hebrew apostles by ELOHIM, on the Day of Pentecost, in Jerusalem, and seven years later to the Gentiles by ELOHIM as Peter spoke at the home of Cornelius in Cesarea. By this spiritual operation, Dr. Kinley proved to those that believed, that they had been translated into the Kingdom of YAHWEH, awaiting the Universal Revelation of ELOHIM from Heaven, wherein the immortal Spirit dwelling in Man would be clothed upon with an immortal body. In this state of absolute perfection, being ONE WITH YAHWEH, we shall decide what the next series of things shall be in the next Creation. Thus, Dr. Kinley, beginning in the Spirit and ending in the Spirit, proved that Man's destination IS his origin. His lectures were so revolutionary and inspiring, that the members of the School came to the only wise conclusion they could come to; that being, that it was necessary for Dr. Kinley to be available to teach classes. If all that attended were to grow, every third Sunday of the month was simply not enough.

The Co-Founder, Dr. Carl F. Gross and the school members, humbly requested that Dr. Kinley retire from his insurance position of Home Office Representative. This would allow him to teach in all the classes, that we might have an even greater understanding of the Panoramic Vision and Revelation. The members of the School would take care of his needs and would be more than willing to do whatever he asked, to promote the Doctrine. Dr. Kinley retired from his job, and settled in Cincinnati, Ohio for a while. By 1952, a home was provided for Dr. Kinley and his wife, Katie at 624 W. Pleasant Street, Springfield, Ohio.

THE CARNAL ORDINANCE CHART

By Dr. Kinley teaching classes, the School really grew in number and most important, grew greater in understanding. It came to pass that every Monday, members of the class would travel to Cincinnati or Lockland, Ohio. Tuesday's class was in Springfield, Wednesday's class was in Columbus, Thursday's class was in Dayton and Friday's class was back in Columbus. Every third Sunday of the month, the class alternated between Springfield and Cincinnati. During this time, Dr. Carl F. Gross drew and painted the Carnal Ordinance Chart. This Chart, like the others, illustrated the Doctrine that Dr. Kinley had caused the members to understand: the Purpose of YAHWEH and how YAHSHUA fulfilled the Old Covenant given to Hebrews only, nailed it to His cross; that the Promise made to Abraham (before the law), might become of affect on the Children of Obedience beginning, on the Day of Pentecost, which was also the beginning of this Present Kingdom Age.

MAN MADE IN THE IMAGE OF ELOHIM
BY THE PATTERN OF THE TABERNACLE – CHART

This Chart was also done by Dr. Carl F. Gross. During these times, classes kept growing in number and class members in Springfield would gather at the home of Dr. Kinley, to convoy to classes in whatever city they were being held in. This Chart, like the others, was to illustrate the things that Dr. Kinley taught by showing how the Tabernacle, built by Moses, and the vessels therein, correlate to the Tabernacle of Man and the organs therein. It was suggested by Dr. Glenn W. Kinley to Dr. Carl F. Gross, that on this Chart, he paint the parts of the body overlaying the vessels of the Tabernacle, that it demonstrate and prove unerringly that Man is created in the Image and Likeness of YAHWEH-ELOHIM. Dr. Gross did as was suggested, and this Chart was the fifth one that was used to teach classes. After a few years of constantly teaching, even in his home, Dr. Kinley announced that he wanted members of the School to, as he put it, “begin to get your feet wet by starting to teach classes.” He went on to quote the words of the Apostle Paul, “Every man ought to be able to give a reasonable answer of his faith in YAHWEH.”

In obedience to his request, members became teachers, with Dr. Kinley being the “last” speaker. Then, Dr. Kinley opened up even more and loosed the Seven Sabbath Seals, and revealed things that are not commonly known, even to members of the School, to say nothing about ministers in the world. For in the world, they teach that Adam had a choice between good and evil, and he chose evil. Dr. Kinley revealed that Adam was YAHWEH-ELOHIM Himself in the Garden of Eden with a coat of flesh on, which unlocked one of the Seven Sabbath Seals.

He proved that by YAHWEH-ELOHIM having put on a coat of flesh (Adam), in the Garden of Eden; that was the Divine Authority, origin or root that YAHWEH-ELOHIM would be manifested in the flesh, instituting and fulfilling the Scriptures. That is why he appeared in the Garden of Gethsemane to the woman, Mary Magdalene, after his resurrection out of the flesh, to prove that He was the SAME ONE! Dr. Kinley expressed this same Divine principle by saying, “Adam died and John the Baptist buried Him.” This was revealed at the beginning of this Present Kingdom Age by YAHWEH-ELOHIM, first in the Apostles from the Day of Pentecost, and by YAHWEH-ELOHIM manifested in Dr. Kinley.

While working in the insurance business, Dr. Kinley did some typewritings about the Vision and Revelation he had received and what the True Doctrine was about. He knew that more had to be done and began to talk about going to California. Just days before he was to leave, he called a meeting at 624 W. Pleasant and Dr. Kinley, Founder and Dean, appointed his Son, Dr. Glenn W. Kinley, to be President of the School IN and FOR the State of Ohio. Dr. Carl F. Gross, Co-Founder and President was present in the meeting and agreed.

Dr. Kinley's instructions were, NOT to teach anything that he had not taught. He also told Glenn that “the State of Ohio is your baby,” and to “run it as you see fit, guided by the Holy Spirit in you.” He went on to say, “You are the President here, but I don't want you to ever forget that Dr. Gross is your President, even if he's dead and in the sod.” A few hours before Dr. Kinley left, by automobile, he sat in the house with Glenn and said, “There will be a psychological shake-up not many days after I leave, but you hold fast to what I've taught and you will be alright.” An hour or so later, Dr. Kinley and those that went with him, departed; en route to Los Angeles, California, in 1958, taking the five Charts with them. His purpose for going to California was to write a text book about the Doctrine, in hopes of getting this great Doctrine in the motion pictures. Letters to and from California were written, which kept every one encouraged and aware of the progress being made. As the writings in California progressed, sections were sent to Dr. Glenn W. Kinley and Katie in Springfield, Ohio.

DR. HENRY C. KINLEY VISITS OHIO
AND THE DEATH OF A SON

Dr. Glenn W. Kinley kept the schools going as he was instructed by his father. He traveled to each class at night and worked days. It came to pass, as Dr. Kinley had said, a psychological shake-up of erroneous doctrines sprang up all over the State of Ohio schools. After wrestling with the schools for a long while, trying to restore things back the way Dr. Kinley had taught them, Glenn gave up and went to California to be with his father. Dr. Kinley and Dr. Gross sent Glenn back to Ohio with instructions to clean up the mess, because he (Dr. Kinley) was NOT going to stand for anyone destroying what he taught.

In the Summer of 1959, Dr. Henry Kinley came to Springfield, Ohio to visit. He sat in the living room at 624 W. Pleasant Street and talked with Glenn about the progress of the text book that was being made in California, and about trying to find a writer to write a scenario of this Doctrine for the movie industry. Everyone they talked to about it, gave up and said "How do you write something like that? It's too much. Where would you start?" A film of Dr. Kinley explaining the simplicity of the Doctrine was done, with the hopes that from the film, a scenario could be written for the movie. During this conversation, Dr. Kinley said, "Glenn, if you never met me before JUNE 6, 1930, you never had the chance to meet me as your natural father." There were many times that Dr. Kinley said during his discourse while teaching, "NOBODY knows the purpose of YAHWEH but YAHWEH Himself!" And yet, He (Dr. Kinley) expounded the Purpose and Plan of YAHWEH from start to finish with such simplicity; healing many; fore-telling events that were to happen all over the world (date and time by the watch on his arm), and even putting those in the medical and religious profession, to shame. He traveled around to the schools during his visit and encouraged everyone to continue their attendance in classes. He knew that many were not coming to classes when he was not there. He asked that they come on out and support and encourage the President, that he had left there in his place while he was working in California. The Charts had been taken to California, so when Glenn would teach, Dr. Kinley followed him. He saw Glenn draw on the chalkboard the things he was talking about, and by the time he finished, the Charts would be drawn. Dr. Kinley then used the same drawings in his discourse. Just before his return to California he said, "Glenn, I have never seen anyone do what you do with nothing but a chalkboard. But if I were you, I'd make some charts." The time had come for Dr. Kinley to return to California, and everyone was glad that he had come and sad to seem him leave.

Glenn would leave early enough from Springfield going to class, that he could go by and see R.P. in Cincinnati. He tried to get him to come and teach in the School and help make some charts. R.P. had seen the corruption in the School and had no desire to be around the people of the School. He also said, "If there is no love in the School, there is no love anywhere in the world and I don't have a desire to live anymore!" Finally, Glenn asked R.P. to come to classes and help him teach, not for the people in the School's sake, but for Glenn's. R.P. said, "You got me, but I will need some clothes to wear." Glenn promised to bring him some clothes to wear to classes, knowing that he had a wife and six children to support. During that time, in early 1959, R.P. came to classes and he really taught! He spoke just like his father, Dr. Kinley. The Forty Plate and the Moses Chart R.P. had drawn and painted, and later Jack drew and painted a larger Moses Chart that replaced the original one, the two Charts Dr. Gross drew and painted, and the original Elementary Chart; had all been taken to California. Nevertheless, R.P. was able to preach the Gospel and prove what he taught, and it was confirmed in the Universe and the Scriptures. Glenn was inspired just to see R.P. in class and teaching with him.

On a Monday night in October of 1959, after class, as Glenn was driving back from Cincinnati to Springfield, there appeared, on the driver's side, above a meadow in a valley, a very unusual bright star in the sky. It appeared as though it was falling straight down, and in its path, as it descended, the light remained bright. When it appeared to be on the ground, the light remained from the ground up to where the star had originated. Then gradually it faded out of sight. On Tuesday night, class was in Springfield, about a five to ten minute drive from Glenn's home. He had taught in class, that Tuesday night, how YAHSHUA had died, buried and resurrected according to the Scriptures. Class was from 8pm to 10pm and by 10:20pm, Glenn walked into his house, went to sit down, and the phone rang. R.P.'s wife was calling from Cincinnati to tell Glenn that R.P. had just passed away. THEN Glenn knew what the falling of the star meant. R.P. was born September 22, 1921, so he passed away shortly after he had turned thirty-nine years old. Glenn, after talking with R.P.'s wife, picked the phone up again to call Dr. Kinley in California, to tell him about R.P.'s passing away. Dr. Kinley asked, when did this happen? Glenn answered, that he had just received the call and had called to tell him. Dr. Kinley said, "Alright. I'll come home." It was made known afterwards that Glenn had called just moments before Dr. Kinley was called on the floor to speak. Dr. Kinley taught, and before he left the floor announced to the class that he had just received a phone call from his Son, Glenn, in Springfield, telling him that his Son R.P., who was in Cincinnati, had passed away. The class was astounded that he could have taught so greatly, as if nothing had happened. Dr. Kinley was returning from California by train with a couple of family members that had been visiting the school in California. One night he told them to watch the star just above the "dipper". They watched for a short while, but fell asleep. Just then, as Dr. Kinley was watching, the star fell into the "dipper."

When it came time to go to the funeral, as Dr. Kinley and Glenn had finished dressing, Glenn asked his father, "Dad, are you going to have something to say at R.P.'s funeral today?" Dr. Kinley said, "Glenn, that's not commonly done. You know how a physician does not operate on members of his own family. They are too close as "loved ones and they fear making a mistake." Just before going out the door, Dr. Kinley went over to Katie, as she was ready to go, sitting in an armchair. He took both of her hands (in his), looking down at her with a faint smile and said, "You're going to be alright aren't you and behave yourself and not go to pieces?" Katie looked up at him and nodded her head "yes," also with a faint smile. He helped Katie in getting up out the chair, put his arms around her waist, looked at Glenn and said "Let's go!" When they arrived at the funeral home, the members of the School waited for a while for the man that was to give the eulogy (who had not arrived). Dr. Kinley got up and began to preach his own son's funeral. He expounded that the Life and the Resurrection was IN YOU and he that believes this, though he were dead, yet shall he live. His concluding remarks were that he was not concerned about his Son (with his arm and palm stretched out toward the casket) lying there in the casket, for he knew he was safe. My prayer is for you that are sitting here, that you will never have to hear the words, "Depart from me you workers of iniquity, I never knew you." But rather hear, "Come, Blessed of my father and inherit the Kingdom that was prepared for you, from the Foundation of the World." Then he said, "Rise and let us go forth." As the casket of R.P. was being carried out, the man that was to give the eulogy drove up. He had gotten lost, traveling over roads he had driven every day working as an insurance agent.

At the cemetery, it was a cold crispy, but very still day. The casket was in place to be lowered into the grave. Dr. Kinley stepped upon the mound of dirt, stretched his arms over the casket, looked slightly towards the Heavens and suddenly a strong wind swept across the grave; and it caused Dr. Kinley's overcoat to whip up and wave almost over his head. His eyes were like flames of fire. He then glanced down at the casket, his eyes welled-up, he shook his head, dropped his arms down to his sides, turned around and stepped off the mound of dirt like a true soldier. Then he walked back to the car. A couple of days later, Dr. Kinley returned to California.

THE TEXT BOOK FINISHED AND COPYRIGHTED

During the time the text book was being written (for clarification), charts were touched up, some of the pictures were redone entirely, and others were switched around for the text book writing. One was originally painted by R.P. with ELOHIM being the First Plate; Theosophy the Second Plate; and the Tabernacle the Third Plate. To explain, in the text book, how all things were according to the Tabernacle, The Tabernacle was changed to be the First Plate; Theosophy the Second Plate; and ELOHIM, the Third Plate. As subjects were completed in booklet form, they were sent to Dr. Glenn W. Kinley in Ohio.

Finally, in 1961, the textbook was finished and copyrighted. It was then sent to people all over the world, in political and religious fields. Many stepped down from high office, giving no explanation as to why they quit. The Pope, at that time, got down off his chair and took off his bee-hive crown, took the jewels out and supposedly gave the money to the poor. These things were done just from reading the text book. Others sent the text book back. The President of the United States, at that time, acknowledged receipt of the book by letter.

Dr. Kinley stood on the floor at 1040 Grand Avenue, Los Angeles, California class and said more than once that, "The Bible has been sabotaged AND even the Text Book I wrote has been sabotaged!" He taught who the people were that sabotaged the Bible. They were those that called themselves translating from the original text. Just one of the things that was put in the Text Book, was the Hebrew calendar. Dr. Kinley talked with the person that wanted to put it in the Text Book, and he told the person it was not correct. The person persisted that they had done extensive research on it, and that it was correct. Dr. Kinley said, "I've told you that the calendar is not correct, but if nothing else will do you, then put it in the Book!"

Also, in 1961, Dr. Henry Kinley sent a letter to Dr. Glenn Kinley requesting him to go to downtown Springfield, to get a copy of his birth certificate, because on September 30th he would be sixty-five years old and would be eligible to receive his social security benefits. Glenn did as his father requested, read his birth certificate, and the year of his birth was 1896. In 1962, Dr. Glenn Kinley wrote to his father asking for a "yes" or "no" answer as to whether or not he could come and visit with him and the School in California. Glenn did not want to go just to be sent right back again, as before. Dr. Kinley wrote back and told Glenn that he could come and visit and he would be glad to see him. Dr. Kinley and the others were living at 1230 S. Windsor Boulevard at the time. Dr. Kinley himself, introduced his Son, Glenn, to speak at class. Dr. Kinley gave Glenn a copy of the Text Book and signed it. After a week, Glenn returned to Ohio and had already made charts for each Branch, so he did not have to carry Charts from class to class. During the next time Dr. Kinley visited Ohio, Glenn was living in Columbus, because there was no work in Springfield. A school had been established at 956 Bryden Road in Columbus. Dr. Kinley was very happy to see Charts had been made, and prior to coming, instructed Glenn to put on the "new" Elementary Chart the picture that R.P. had done on the Forty Plate Chart (which was to draw the Abrahamic Plate and not just the strip as it had been done originally). Dr. Kinley was introduced by his Son, Glenn, to be the only speaker at that Sunday's class in Columbus. Dr. Kinley's opening remarks were, "When I am in California, people come to me about my Son there. When I come here, people come to about my Son here. So, whether there or here, people don't have anything good to say about none of my children." Then he said, "Glenn are you here?" Glenn stood up and said, "Yes Sir." Then he said, "As of now, you're fired as President of the School. I put you in and I'm taking you out of

office." Then he said, "We cannot start this class until we have a President in place. Does anyone here have a son we can put in this office?" After a moment or two of silence, it was said "We want Glenn to continue as our President. We're satisfied with him and the way he teaches." Everyone present said "yes, that's right." Dr. Kinley then called for a vote and they all agreed. Then he said, "I put him in and took him out. This time, YOU put Dr. Glenn Kinley in and I don't want to hear no more about it." Dr. Kinley then started his discourse and everyone was greatly edified. Dr. Glenn Kinley had just taught the same thing in Friday night's class, and with tears, told his father how happy he was that what he had taught was confirmed by him. Dr. Kinley said, "Dry your tears. When you have seen as I have, you can't teach nothing different." And they hugged each other.

Dinner had been prepared for Dr. Kinley and those that had come with him. Glenn was in the kitchen helping to get dinner on the table, when he was told that he should go into the living room because there were lies being told about him to Dr. Kinley. As Glenn went from the kitchen through the dining room, he stopped at the archway of the living room and heard Dr. Kinley say, "Glenn could not have taught you that and I'll tell you why. Because an angel appeared to me before he was born, and told me what he would be to me in this Gospel. YAHWEH taught me and I taught him. It is not in him to teach you nothing erroneous."

After all those that came to dinner had left the house, Dr. Kinley said to Glenn, "I would not have fired you as the President here, had I not known that they would put you right back in office." Shortly thereafter, Dr. Kinley and party returned to Springfield.

Before his return to California, Dr. Kinley told Glenn that he had done as he asked by teaching every class, and had worn out several cars. "From now on, I want you to quit running so much. But I want you to spot check every so often to see how the people in the schools are doing and do whatever you can do to help them along. Will you to that?" Glenn answered, "Yes, Sir." Nine months or about a year later, Dr. Kinley wrote to Glenn and told him that he was welcome to come to California to live and work with the School there. Glenn set things in order that his departure and transition would take place smoothly. After Glenn arrived in California to live, he was called upon to speak a few times about things that Dr. Kinley had taught, before going to California. Things that were strange to them there. And, Dr. Glenn Kinley was benched for "seven" years.

Dr. Glenn Kinley had just been through years of teaching school five nights a week, making charts for each class, working every week and attending classes every Sunday, so by the time Dr. Kinley told him he could move to California, he was ready to sit down. It was Dr. Kinley that told Glenn that he had been benched for seven years

and he let them do it. Dr. Kinley told Glenn the reason he let them do it was, “Now, you are NOT guilty of all that garbage that has been taught from the floor for the past seven years. So, I let them bench you to protect YOU.”

A few years later many of the teachers and students went out from California and started schools. They began to say that Dr. Kinley had sent them and this made him angry. He repeated to Glenn what he had said, “I told them all if they wanted to go, then go, and I will do all that I can to help them, but I WILL NOT send them anywhere. YAHWEH has never sent a Man to do nothing without first giving him a Vision. At the Ascension, the Disciples were told to tarry at Jerusalem until they received power from on High. On the Day of Pentecost, they were instantaneously transformed to Apostles by the Revelation of ELOHIM given to them, and then they were sent out. Now Glenn, That's Book!” He talked about Philip, who went to Cesarea, and taught the people there, the things he had learned from the Apostles in Jerusalem. The people rejoiced all over Cesarea, but not one of them received the baptism of the Holy Spirit until One that YAHWEH had chosen arrived (and that one was PETER). Now, you can't FIX that! You can't change that! Finally Dr. Kinley said, “To send them out without a vision would not be loving them. But it would be sending them out for wolves to devour them and, I will not do that!”

THE FIRST INTERNATIONAL CONVENTION IN 1967

This Convention was held in Springfield, Ohio, the same city wherein Dr. Kinley received the Vision and Revelation, JUNE 6, 1930. This was thirty-five years later and Dr. Kinley really taught. One of the astounding things he said was, “Anyone that is convinced that what I am teaching is the True Gospel of the Kingdom sent from YAHWEH, will be sealed in belief before this Convention is over. Anyone that is not convinced that what I am teaching is the True Gospel of the Kingdom sent from YAHWEH, will be sealed in unbelief. Either way, you will be sealed one way or the other.” There were many, so called “spiritual interpretations” that came out of this 1967 convention, that unless you kept your eyes on exactly what Dr. Kinley taught, you would be deceived!

International Conventions began to be held every two years and as you listened to each speaker, you could tell, see and hear that one school was against the other by whatever one teacher said. The next teacher that followed was trying to discredit or tear down the other. However, people that had come to this convention, in 1969, were always edified when Dr. Kinley spoke.

In 1971, Dr. Kinley and those that went with him, departed Los Angeles, California on a peace mission, and talked with heads of government and religion. Upon Dr. Kinley and the others' return, Dr. Kinley had a letter written to the President of the United States, at that time, and asked if he wanted him and the others to come to Washington, D.C., to give him a report as to what they had spoken about with these world leaders; discuss things that might be done to establish or bring about universal peace and brotherhood. Dr. Kinley did not receive an answer of any kind and this vexed him to the point that he stood on the floor and said, "You don't ignore me! I am going to take him down!" It came to pass, that the watergate scandal caused the President of the United States and others to be put out of office in shame and disgrace!!

In the 1971 Convention, the marquee over the entrance read: "WELCOME YAHSUANS." When Dr. Kinley arrived at the hotel, he looked up and saw the sign and said, in a very positive way, "Have them take that sign down. It's not true!" The sign was taken down and was replaced to read "WELCOME I.D.M.R.!" In the auditorium, where class sessions were held, there were several other charts put up along with those that Dr. Kinley, by Divine Inspiration, had instructed as to how they were to be drawn and painted. This was one more way that proved, as Dr. Kinley had taught, that right where you find the Mystery of YAHWEH is right where you will find the Mystery of Iniquity. Dr. Kinley's comment on these charts (that are even now hanging in class rooms across the country) was, "They are not worth the time and effort it took to make them, and if they did not catch on from the charts I've done, then they just won't get it!" During this convention, the same speaker that had done these charts was called on several days in a row, and during his discourse made this statement, "If you've noticed, the old man (Dr. Kinley) has not gotten up to speak in this convention. I'll tell you why. If he gets up to speak, this Creation will go out!!" It just so happened that Dr. Kinley was called on as the next speaker. After His opening remarks he asked the entire assembly: "Where are you going!" Then he called for the 12th Chapter of Hebrews to be read, and during his discourse, proved that all that believed that YAHWEH had accomplished his purpose. you have already come to all there is to come to! All that remained was the Universal Revelation of YAHWEH from Heaven and his executing judgment on all that believed Him NOT! Before this convention was over, Dr. Kinley gave instructions that he wanted everyone that had attended the convention to be licensed to teach. The licenses were given, but few were ever called on to speak.

Shortly before the convention in 1975, Dr. Glenn Kinley went to visit his father, Dr. Henry Kinley, and Dr. Kinley was talking on the phone long distance to New York. Dr. Henry Kinley was saying that what was being planned was not wise and that it would be a waste of money and to please not do that. Dr. Henry Kinley looked up while holding the phone and said to Glenn that the person he was speaking with would not listen to him. The 1975 Convention was held in Washington, D.C. Once again, on the marquee, over the entrance of the hotel read, "WELCOME YAHSUANS!" And once

again, Dr. Kinley insisted that it be taken down and changed to read “WELCOME I.D.M.R.” (Dr. Kinley had taken his family name [Kinley] out of the title of the Institute (The Kinley Institute of Divine Metaphysical Research, Inc.), saying that the gospel was not just for the Kinleys, but for the whole human race, regardless of what name they are called by. He changed the name of the school to the Institute of Divine Metaphysical Research, Inc. and he did not name the school “Yahshuans.” That is why he kept insisting that the sign be taken down!) This convention was named or called, “The Learning Tree.” Dr. Kinley said, “it is stupid to call so great a Gospel a Learning Tree!” Despite Dr. Kinley's plea, by phone, not to rent rear screen projection for the Convention, it was done anyway. The person responsible for this also stated (before the Convention, by phone) that if someone found or could come up with a better way to show the doctrine, why wouldn't they be permitted to do so. To do this, rear screen projection at the cost \$3,000.00 per day, the classroom had to be very dark for the charts (in black and white) to be seen on the screen. As the speakers taught, there were people that sat at a table in front of the class with flash lights, with arrow cut outs over the lenses, pointing to whatever the speaker was talking about, because you could not see the speaker. The air conditioner (which was in the process of being repaired) was not working when I.D.M.R. arrived, and it was very warm and uncomfortable throughout the hotel. About the third day, the air conditioner was repaired, but could not be controlled. Consequently, it became so cold through the rest of the Convention, that it was very uncomfortable. The way you knew where Dr. Kinley was sitting during class sessions, was that he was wrapped in blankets to keep him warm. Finally, Dr. Kinley held a meeting and gave strict orders to take down the rear screen projection, (that now cost \$9,000.00 for three days rental) put up the charts and turn on the lights like he had always done! He went on to say, “You are right here in the nation's capitol where the law makers are, and you have invited dignitaries to come and see this Great Work, but it is so dark in here, they would not be able to see anything if they did come!” Before the convention was over, in another business meeting, Dr. Kinley gave orders to make changes on two charts, because they were wrong and he wanted them corrected. After some arguments, they were done, by one of Dr. Kinley's grandsons. Other than his speaking in the business meetings, Dr. Kinley DID NOT speak at this Convention, and afterwards went to Springfield as he was not feeling well at all. A few weeks later, Dr. Kinley returned to California. Knowing he was not feeling good, Glenn went to see his father. They sat in his living room and Dr. Kinley began to talk about the peace mission that he went on and the time when they were deciding as to who would go. Dr. Kinley said to Glenn, “I wanted you to go with me on the peace mission. But I knew if I brought your name up, they would cancel the whole trip.” He went on to say that he had to get this mission fulfilled, so he went on it to get the job done. Dr. Kinley began to well-up with tears as he said, “Glenn, they put me to death again in the Convention. They were disobedient. They did not want to do what I had asked them to do. They are not teaching what I have taught them and that's not being fair with me. It's all uncalled for.” He wiped away his tears and asked Glenn to promise to do something for

him. Glenn said “Yes Sir, whatever you want me to do.” What Dr. Kinley asked Glenn to do was:

- “Go to Pasadena and open a school for the public and teach what I have taught you, for I have sheep there.”
- “See to it that my work is not destroyed and try to get this Doctrine in the movies.”
- “Visit the schools and try to help them in their understanding.”

Glenn promised his father that he would do what he asked. Dr. Kinley said, “I know if you promise me that you will do it, you will not let me down! That is what the angel that appeared to me to announce your birth had said, that you would be **ONE WITH ME** in this Doctrine!” Glenn said, “Dad, there is one thing that I would like to say to you and that is, if they, in the schools, are going to continue to be as they have been throughout the years, in classes and conventions and treat you like this, I don't care to attend anymore conventions!” Dr. Kinley said, “I don't blame you. I wouldn't want to go to any more either!” Glenn, seeing that his father was tired and weak, got up, went over to where Dr. Kinley was sitting, bent down, hugged and kissed him and told him that he loved him, then, quietly left. Dr. Kinley had become very quiet for several years and had asked that he not be called on to speak unless **HE** asked for the time to speak. Dr. Kinley did speak a very few times in 1975 and as he had often said, try one more time to get across to the people the True Doctrine of the Kingdom. In August of 1975, Glenn suffered a very bad lower back injury and was laid up for a while. Dr. Henry Kinley instructed Glenn to do all that his doctor said to do, but “don't let any if them cut on you.” Glenn's doctor instructed him not to go out at night as the cool night air would agitate his condition. He also said to wear a back brace and walk with a cane. Dr. Kinley told Glenn not to try to come to classes until he was better. Glenn asked, if it would be alright to come to classes on Sunday mornings. Dr. Kinley's answer was, “Yes, if it is warm. If not, stay home.”

Dr. Glenn Kinley would go to classes on Sunday mornings. One morning, there was an international officer of the School that said, he was casting devils out of himself into the audience, and that he felt sorry for them because he had some “doozies.” He and the audience laughed. Dr. Henry Kinley was at home sick and confined to bed. After class, Glenn, being disturbed about this stupid statement, as well as many others that were taught, went to the home of Dr. Kinley and told him (as Dr. Kinley lay in bed) what they had said. Dr. Kinley eased himself up in bed and said, “He should not have said anything like that. **YAHSHUA** sent his Disciples out to cast devils out of men not to cast their's into anyone!” Dr. Kinley went on to say, “this same person, they will more than likely be put in charge of the School after I pass, but he will not run the

School as I have, and many people will leave because of him. On the evening of February 9, 1976, Dr. Kinley passed away. When Glenn was called and told His father had passed away, he went to his home and helped to carry his father out of the house. At the funeral services, when Glenn arrived, he was actually pushed, by an usher, to get in line with the others, as they all filed in for the services. Another usher walked up to him and asked, "What are you doing? He's the Founder's son! Let him in to sit with the rest of the family!"

When the family was asked to pass by the casket of their father, Glenn approached the body and the international officer standing at the foot of the casket told him, not to touch him! Nevertheless, Glenn politely ignored the statement, patted his father's hands and face, and bent over and kissed him. Glenn attended his father's funeral services that were held in Springfield, Ohio. Many people that had never laid eyes on Dr. Henry C. Kinley, the Founder of I.D.M.R., Inc., but had heard so much about him, wanted to see him. Many expressed how good he looked and that he did not look like a man of eighty years old. On the way to the cemetery, the funeral director's wife drove the family car. She glanced up in the rear view mirror so many times that it was noticeable. Dr. Kinley was buried in the same cemetery, not far from where Richard was buried fifty-two years before. When driven back, the undertaker's wife walked up to Glenn and said, "You probably noticed me looking at you in the rear view mirror." I have driven in many funeral services working with my husband, but this one was eerie, because you look just like the man we were taking to bury. It was like he was sitting in the back seat of the car I was driving. You sure look like your father. She shook Glenn's hand and offered her condolences. Glenn thanked her for her kind words and understanding.

Upon Glenn's return to class in California, things were being taught and believed that were the exact opposite of what Dr. Kinley had taught for the past forty-four years. Dr. Glenn Kinley was called, by an international officer, a devil, simply by the things he had taught on one of the rare times he was called on. And it was also said that Dr. Carl F. Gross was a devil, because he had agreed with Glenn. After a while of listening to nothing but a few types and shadows and erroneous doctrine, Glenn remembered he had promised his father, who had asked him, to go to Pasadena and open a school, which he did. Thereby he began to set into motion the first part of the promise he had made his father. It had come to pass, as Dr. Kinley had said, that many people would leave class because of this international officer that is also the same one who had bragged that, "I have never had a Vision or Revelation and don't want one. I am satisfied just the way I am!" People in class had heard many other contrary and flagrant statements by this same international officer, that was nothing like Dr. Henry Kinley had ever said or taught; but this statement was the one that drove the people out. Many had already left, but this caused the greater part of the class to leave and never come back. They said that they had finally met a man [Dr. Kinley] that proved that he had a Vision and Revelation; revealed that He Was YAHWEH and so were they! All of these people

had supported classes, and many given money for the first peace mission. There was one that was even willing to pay for the entire trip. They desired to remain faithful and went to class in obedience to Dr. Kinley, even though he had passed away. But, people were forced to declare that they would never submit themselves to anyone that would talk like what they were hearing. What they were hearing was NOT the voice of the Shepherd. So they did leave class, saying that they would hold fast to what Dr. Kinley had taught them and that ONLY! Of course, this international officer blamed Dr. Carl F. Gross for the people leaving class. Dr. Carl F. Gross, Co-Founder and President of the School since 1932, had remained faithful to all that Dr. Kinley had taught him, until he [Dr. Gross] passed away. Of course, he was not loved or even liked because he would not bow to anything that Dr. Kinley did not teach. So, Dr. Gross was not the one that Dr. Kinley named, that had cause people to leave class.

Dr. Kinley said many times: “Once you see what I am talking about, the war between me and you is over. Now you're standing with me to help others to know, and there will be NO MORE CHANGES. You will be carried out to the cemetery just the way I have taught you!”

IMMUTABLE SCRIPTURAL FACTS

Remember, Dr. Kinley taught and wrote that people were deceived all over the world, because they failed to make a detailed investigation into anything. YAHWEH said, that his people were destroyed all day long for lack of knowledge!

Herewith then are some immutable facts that, according to the scriptures, the Springfield, Ohio newspaper, and Dr. Henry C. Kinley and his wife, Katie Kinley, that Dr. Kinley began to teach on JUNE 22, 1932, by the only chart that was done and used at that time (until the other charts were made, 14 years later). From 1932 until 1958 when Dr. Kinley left Springfield, Ohio to go to Los Angeles, is a period of 26 years. For these 26 years all he ever taught, concerning the time of the Panoramic Vision and Revelation, was that it was on JUNE 6, 1930, on a Friday at about 9:00 in the morning, at 1008 Park Avenue, Springfield, Ohio. He set forth the Divine proof of this, when he was caught up in preaching with power, saying:

- A. Right where YAHWEH-ELOHIM exhaled in Adam, is right where YAHWEH-ELOHIM inhaled in me! (Common sense will tell you that nobody holds their breath for a year, e.g. from 1930 to 1931!)

- B. According to the Vision of ELOHIM given to Moses, Moses was shown that the first and only created man, Adam, died at the age of 930 years which was 70 years short of living with YAHWEH, in the flesh, the first thousand year day.
- C. YAHWEH, having declared in ELOHIM, the end from the beginning, at 930 years, 70 years short of the sixth, thousand year day with YAHWEH, Dr. Henry C. Kinley received from YAHWEH the Divine Vision and Revelation, which confirms what he had already taught, that right where YAHWEH exhaled in Adam is right where YAHWEH inhaled in Him.
- D. It is not necessary for anyone to go to college and get a degree in mathematics to understand that there is a thousand years difference in using the figures 930 and 1930. This 1,000 year day, in this Present Kingdom Age, began on the Day Of Pentecost and 930 years deep into the sixth day; or 70 years short of the completion of the 6th day. Hence: $1,000 + 930 = 1930!$
1. Dr. Henry Clifford Kinley was NOT born in the year 1895. He was born September 30th in the year 1896. From September 30, 1896 to June 6, 1930 Dr. Kinley was 33 1/2 years old. This, according to the Doctrine Dr. Kinley taught, was the same age that the first ADAM was driven out of the Garden and that YAHSHUA (the second ADAM) was crucified or driven out of the flesh. The Divine proof of the year of the Vision and Revelation is written on the Carnal Ordinance Chart: JOHN 1930. It is without a doubt that Henry C. Kinley was driven out of the flesh (carnal mind concepts, opinions, etc.) in 1930, and YAHWEH himself took up residence and was manifested among men, to preach the Kingdom which IS, ELOHIM in You, the ONLY Hope of Glory. This is in part, some evidence of the year 1930.

For Explanation Only: according to nationality, Dr. Kinley was a “Gentile” and he often spoke about the fact that the Gentiles MUST carry the True Doctrine back to the Hebrews, as Peter did for the Gentiles at the home of Cornelius and his household in Cesarea, that the Hebrew might be grafted (not planted) back into their own tree! According to the Gentile (or Gregorian) calendar, Dr. Kinley's birth date was September 30th which is the 9th month and the 30th day, hence 930. September does not have 31 days in it nor can anyone go back and change the fact that YAHWEH-ELOHIM, by way of

Vision, SHOWED Moses that the first Man he created, Adam, died at the age of 930 years old, and change his death to 931 years old.

2. To examine the scriptures, the year of Dr. Kinley's birth, IS 1896. It is written that YAHWEH-ELOHIM set a mark upon Cain for slaying his brother Abel. It does not state in the Vision given to Moses what the mark was. YAHSHUA, in instituting the law, freed Israel (the woman or bride), in Egypt, that had been bound down to the Pharaoh that ruled in the 18th dynasty. YAHSHUA fulfilling the law, freed the woman that had been bound down for 18 years and she was made straight or to walk upright, before YAHWEH. When Dr. Kinley was born in 1896, the whole world was bound down to Satanic doctrine with no hope of escaping political and religious bondage. John's life was reserved to be on the Isle of Patmos in 96. Hence or therefore, 18 96 declares the year that Dr. Kinley had to be born, and He revealed the number that Cain was marked with, and John wrote it in the Book of Revelation (6+6+6=18).
3. Dr. Kinley taught that YAHWEH-ELOHIM was manifested in YAHSHUA, a specially prepared sacrificial body, was crucified on Friday, that Saturday was the Hebrew Sabbath and that Sunday was the First day of the week. YAHWEH-ELOHIM fulfilling in YAHSHUA the scriptures specifically speaking here of the law that states, "that in six days Thou shall do all thy work, but on the Sabbath Day, Thou shalt not do any work." He was nailed to the cross on Friday. When all things had been accomplished, YAHSHUA said, "I THIRST" and was given vinegar, put on hyssop, and after receiving it said, "IT IS FINISHED," and bowed his head and gave up the ghost. The sacrificial body could not remain upon the cross, nor could it be preoared or worked on for burial on Saturday, the Sabbath Day, therefore he had to be taken down from the cross, prepared for burial and placed in Joseph's new tomb Friday evening, that he might rest from all of his work on Saturday, the Sabbath Day! As Dr. Kinley had taught and proved by the scriptures and the Apostle's epistles, that it was YAHWEH(1), ELOHIM(2) manifested in YAHSHUA(3) (the supernal nature of YAHWEH bodily) that exited out of the physical prepared body, and that body was put in the tomb on Friday. So that on Saturday, the Sabbath Day, there would be NO BREATHING, NO HEART BEAT, NO CIRCULATION OF LIFE IN THE BLOOD, NO PULSE, and in short NO NOTHING!! WHY??? Because YAHWEH ELOHIM was in YAHSHUA fulfilling the natural Sabbath and all carnal ordinances, given to Hebrews (ONLY), nailing them to His cross; whereby the blotting out of the law signified the final and complete end of Man worshipping YAHWEH by anything physical. As it began to dawn towards Sunday, the first day of the week, the physical sacrificial body was instantaneously

dissolved and simultaneously the veil of the Temple was rent in twain from top to bottom; and the earth did quake and the rocks rent; and many of the sons rose after his Resurrection.

It would be very simple for anyone, for their own peace and salvation, to get a calendar for the years 1929 and 1931. This is what you will find: that in 1929, JUNE 6th came on a Thursday. In 1930, JUNE 6th came on a Friday. In 1931, JUNE 6th came on a Saturday. It is known that YAHSHUA was not crucified on a Thursday. Likewise it is known that he cannot reveal anything on Saturday because He was removing the natural Sabbath. It is known that on Friday, YAHSHUA was crucified and exhaled or gave up the ghost. JUNE 6th 1490 (NOT 1491) was the date that Moses, Aaron, Nadab, Abihu and seventy of the Elders saw, in a Vision, the ELOHIM of Israel. JUNE 6th was the day of Pentecost that YAHWEH had appointed, in the which he would reveal his purpose, and ELOHIM appeared in Jerusalem to his Disciples, opened their understanding, and transformed them instantaneously into Apostles. This was in A.M. 1, not 33 1/2 A.D. (the first day of this Present Kingdom Age, A.M., which means “year of the world,” not A.D. 33 1/2). This error of 33 1/2 years, as being the year of the Day of Pentecost, is totally wrong! The 33 1/2 years of YAHSHUA being born to fulfill the law and the prophets, took place under the law on the other side of the cross, not on this side! For he was born UNDER THE LAW to redeem them (Hebrews) that were under the law. To insist that the Day of Pentecost took place JUNE 6, A.D. 33 1/2 would mean that the new covenant was in force for 33 1/2 years and nobody knew it, not even the Apostles.

The time and date of the Panoramic Vision and Panoramic Revelation given to Dr. Henry C. Kinley from YAHWEH was 9:00, FRIDAY MORNING, JUNE 6, 1930, which he himself taught for 26 years. The question would arise then, if this is the true correct time and date, did Dr. Kinley, himself, ever teach 1931 as the year of the Vision and Revelation? Answer: Yes! And more than once after he moved to California. Those people before that heard nothing but 1930 for 26 years, never thought to ask him, Why 1931 now? For 18 years he talked about 1932 and they wrote 1931. The 26 years and the 18 years gives the 44 years he taught. Remember, that after the Vision and Revelation, Dr. Kinley sat on the front porch of the same house one evening, and asked YAHWEH for confirmation that if what he had seen was OF HIM, and YAHWEH confirmed it by the three stars that fell. Dr. Kinley then asked YAHWEH for two gifts, which were: the gifts of prophecy and of healing: which were granted. If one would have asked Dr. Kinley about the year 1931, he would have told you that it was the time or year he began to foretell the events that were to take place, repeat or reflect all over the world. For as it was with Moses, YAHWEH showed him, by way of Vision, how to build the Tabernacle in 1490, but it was completed in 1491; whereby all events in the world, even before Moses was given the Tabernacle Pattern, would take place by this Pattern. Dr. Kinley received the Vision and Revelation in 1930 and foretold all the

events that happened before it was shown to him and all the events that would take place

afterwards until NOW! This then, in part, explains the gift of prophecy. Remember also, Dr. Kinley had already healed many people before the Vision and Revelation. But yet, he asked for the gift of healing. Although, even after the Vision and Revelation, Dr. Kinley continued to heal many people of all manner of physical death causing diseases. So much so that it put the medical profession to shame. However, this was not the gift he was asking for. It was the gift of healing mankind of all manner of death causing doctrines, taught by Satan and his ministers operating the Mystery of Iniquity on earth.

The people that truly heard what Dr. Kinley taught and believed him to be YAHWEH manifested among us in this last day, have not only been healed but have been transformed into the Kingdom without seeing death! He gave to the very few that have remained faithful, to the voice of the shepherd, the keys and the rod to measure all things whatsoever comes out of anyone's mouth! This does away with anyone coming up with something that perverts, changes, modifies or so-called "progressive revelations" that make what Dr. Kinley taught outdated or of none effect!

The fact that Dr. Kinley said or did not say, is really NOT the question. The question was and is: "Did you understand what he was talking about?" The Divine scriptural immutable facts according to YAHWEH's purpose are that:

- 1. 1930 was the year of the Vision and Revelation;*
- 2. 1931 was the year used to prophecy events; and*
- 3. 1932 was the year Dr. Kinley began to teach the Vision and Revelation.*

And from 1932, Dr. Kinley PROVED that YAHWEH had revealed himself in him, beginning at 9:00 on Friday morning of JUNE 6, 1930, for forty-four years!!

The P.I.D.M.R. Library has the records of:

- 1. Dr. Kinley's early writings with the date and time of the Vision and Revelation;*
- 2. Audio cassette tapes of Dr. Kinley teaching for many years;*
- 3. Slides of original:
 - A. Elementary Chart;*
 - B. Forty Plate Chart;*
 - C. First Moses Chart;*
 - D. Second Moses Chart;*
 - E. Carnal Ordinance Chart; and*
 - F. Man: made in the Image of Elohim By The Pattern Chart.**

4. *Letters of instructions and encouragement from Dr. Kinley;*
5. *Manuscripts done before the Textbook was printed;*
6. *Original Textbook signed by Dr. Henry C. Kinley;*
7. *Pamphlets written by Dr. Kinley;*
8. *Pamphlets written by others in Los Angeles, CA and other schools;*
9. *Transcripts of peace missions;*
10. *Film done of Dr. Henry C. Kinley for scenario writing;*
11. *Letters from officers, teachers and students from many schools;*
12. *Video tapes of Pasadena classes taught by:*
 - A. *International officers;*
 - B. *Deans; and*
 - C. *Students.*

13. *Video tapes of Pasadena class visiting Los Angeles class;*
14. *Video tapes of classes in:*
 - A. *Springfield, OH;*
 - B. *Detroit, MI;*
 - C. *Seattle, WA;*
 - D. *Oakland, CA;*
 - E. *Meridian, MS; and*
 - F. *Many other schools.*

15. *Original stationery of the school;*
16. *Letters written to all branches, available at the time, that listed 14 items of erroneous doctrine taught in the schools (of which none responded);*
17. *Letters from international officer and of the Board of Trustees, stating that nothing was left in the hands of Dr. Glenn W. Kinley by Dr. Henry C. Kinley, and who their spiritual leader is now;*
18. *Letter of Dr. Glenn Kinley's response;*
19. *Convention video tapes;*
20. *Original and copies of 12 lectures by Dr. Kinley;*
21. *Video tape of the "Life of Dr. Kinley: for I.D.M.R. members only;*
22. *Letters from Dr. Katie Glenn Kinley stating that JUNE 6, 1930 was the correct date and time of the Vision and Revelation; and*
23. *Video tape of Dr. Katie Kinley's visit to Pasadena and her teaching class.*

This abundance (and more) of other facts have been presented by Pasadena Class to visiting international officers, deans, teachers and students, at various times; and it was said:

1. *An International Officer (Los Angeles) said: "I've heard something about this 1930, but today (a Sunday class) is the first time I have*

ever seen it proven. However, there are a lot of textbooks that have gone out with 1931 in them and that's what I am going to go along with (International Officer, L.A.)".

Question: How many bibles and other books have gone out with errors in them and how many of them are you going to go along with?

- 2. A student-teacher of Pasadena Class visited the Los Angeles Class, and after the lecture was over asked an international officer, "Did Dr. Kinley teach 1930 as the year of the Vision and Revelation?" The answer was: "Yes, but he also taught 1931, and that's what we are going along with!" And the officer walked away in anger.*
- 3. A Dean (Oakland, CA) said from the floor: "Doc, you proved 1930, but all I have ever heard is 1931, and that's what I'm going to stay with!"*
- 4. A student (Oakland, CA) said: "I don't know which is true, 1930 or 1931, because, I've only been in class for a few months now." A tape had been given to this person, and after class, the student went home and listened to it. It was Dr. Kinley on the tape stating that the Vision and Revelation was JUNE 6, 1930 about 9:00 in the morning. At the next class, the student walked up very excited and said: "Doc, I now know the truth, because I heard Dr. Kinley say it on the tape!"*
- 5. At a gathering, in Seattle, Washington, it was said after class: "Doc, it doesn't make any difference when Dr. Kinley had the Vision and Revelation. The important thing is that he had it!"*

Question: Was Habakkuk wrong saying, "...in the end, at the appointed time, the Vision shall speak and not lie?"

- 6. A Dean (Ohio), after a class, walked up to Dr. Glenn Kinley and said: "I would have fought you tooth and nail about 1930 had not your father told me out of his own mouth, that's when it was."*

Question: What then would be the argument?

It has been told that all schools have been instructed from Los Angeles, California Branch, to teach that 1931 was the year of the Vision and Revelation given from YAHWEH to Dr. Henry C. Kinley, knowing that this is not true!

Question: *What happened to the watchword-**PEACE**?
What happened to the slogan-**SPEAK THE TRUTH**?*

Erroneous things have been taught in schools and believed to be sound doctrine and to be “the truth.” To add to the lies and blasphemy, it is professed that whatever it is they are teaching, they received it from Dr. Kinley. Especially by those that were around him for many years. If this is true, why is it there is no real PEACE among all the schools or no true brotherhood? Could it be, even after all these years, that they never believed that which Dr. Kinley taught them, they never believed it to be the truth and there is no peace in them?! All of the evidence seen by visits to schools, by way of audio and video tapes and pamphlets, PROVES this to be the real problem and direct cause of divisions. It has been taught and spread throughout the schools and now a pamphlet has been written about it. There are too many errors to be discussed in this pamphlet, but at least one will be covered.

It is believed in the schools that, by the Mosaic Tabernacle Pattern, the High Priest going into the Holy Place went:

*10 feet from the door to the seven branch lampstand;
10 feet from the seven branch lampstand to the altar of incense;
10 feet from the altar of incense to the table of shewbread; and
10 feet from the table of shewbread back to the door.
40*

This is supposed to be how to get a “40” in the Holy Place.

This is NOT TRUE and cannot be found in the scriptures, none of the epistles written by the Apostles after Pentecost that used the scriptures for reproof, for correction, for instructions in righteousness, and none of the audio tapes, transcripts of lectures, film, pamphlets and textbooks written by Dr. Kinley. It cannot be found in the Tabernacle Pattern itself which makes this way of getting a “40” as erroneous as it can be. Why? Because, the seven branch lampstand was against the table of showbread, to the left side, in the Holy Place of the Mosaic Tabernacle. The aorta carries blood from the left side and is against (or comes off of) the heart on the left side, in the Holy Place of the Tabernacle of man! Dr. Kinley has explained many times as to why he had the Charts drawn as they are. He said, “I am drawing out the Vision and making it plain.” Therefore, the Charts were done with the seven branch lampstand on one side, and the table of shewbread on the other. As Dr. Kinley taught, anyone that was seeking to know

the truth, could “see” how the vessels in the Tabernacle correlated to the vessels in the Tabernacle in man, and that he was revealing the deep esoteric secrets of the Purpose and Plan of YAHWEH; with unerring accuracy and infallibility, from Cosmogony to Escotology. To reveal the unerring accuracy of the Pattern, knowing that the kidneys, in the body, are one on either side; it was necessary to have them drawn together that it might be “seen” that they form the brazen laver, with the bladder forming the base or foot. As a final note concerning this “40” error, the one that started this was asked, “Can you prove this to be true by the Pattern?” The answer was, “No. As of now, it is theory and conjecture!”

Dr. Kinley has said “that I have given all there was to give and I have left nothing out.” If people missed it or forgot, it was certainly not his fault as he had been obedient to the “Heavenly Vision.”

DR. HENRY C. KINLEY DID NOT FORSAKE HIS PEOPLE

While Dr. Kinley yet lived in Springfield, Ohio, he searched and visited people that could help him promote this great Vision and Revelation that he had received. After he had explained just some of the simplicity of the true doctrine, and how the people that would receive it, could become self sufficient financially and spiritually, they understood and wanted him to stay with them and continue to teach them; and they would pay him whatever he wanted. Dr. Kinley would not stay, but instead returned home to his family and the faithful few, that had come to understand that he knew what he was talking about. Dr. Kinley was given the opportunity to speak at Wittenberg College. After he expounded the purpose of YAHWEH using the Chart, when he was finished, a white haired professor of Theology, walked up to him and said, “After all the years I have been teaching, this is the first time I understood that Genesis was a Vision given to Moses.” Dr. Kinley said: “Professor, when you go back to your class, teach them like I showed you, and they will never know that you did not know all along.” They shook hands and parted in peace with an invitation to Dr. Kinley to come back anytime.

Educators that Dr. Kinley talked with would not believe that he was a man with only a fifth grade education, not with his command of words, that even they had to look up. They bestowed upon him Ph.D. degrees from several colleges of Theology. He talked with a Prince and the Prince admitted that Dr. Kinley was the wisest Man he ever had the privilege to talk with. The woman that Dr. Kinley was accused of, came back to Springfield to visit, years later. She told everyone what had actually happened. She had left Springfield to elope with the man she loved, and they were married. She went on to say that, Dr. Kinley was innocent of the charges against him. The same church that Dr. Kinley had been put out of, gave him the opportunity to come and speak. He confessed to them that all he had taught them during the fifteen years as Assistant Pastor, was wrong. He taught them about the Vision and Revelation he had received

and, in conclusion, asked to be forgiven for what he thought was the Truth, however most of them rejected what he taught. Dr. Kinley, in speaking about this said, that he was man enough to go back and apologize, and taught them the Truth, after that, he had done all that was required of him to do. He had debates and one was with five ministers at a time, and he by himself, was declared to be the winner of the debate, which concerned the practice of carnal ordinances by Hebrews or Gentiles in this Kingdom Age.

In Cincinnati, Ohio, while Dr. Kinley lived there, he taught the rich and famous and they too wanted him to forsake the school and teach them only. Again, Dr. Kinley turned them down and remained with the people in the school. He was beaten up by a Black organization in Cincinnati, because he had white people in school. Afterwards, He went to the meeting place of this Black organization and asked to speak. It was granted and before he finished teaching, he said the command was to preach the gospel to every creature, and that the white man was also a creature of YAHWEH. They gave him back everything they had taken off of his body, and the leader gave the command that nobody touch him ever again, saying that he was either crazy to have come to their meeting alone and by himself, or he had to have seen a Vision that was beyond what they were teaching, or understood.

In California, after the school had begun to have classes, and while still working on the textbook, Dr. Kinley was again asked to leave the school and teach only the wealthy and young students, and leave the people in the school; and they would pay him to do so. Dr. Kinley refused the offer and said, "I will never forsake the people that have stuck with me through the years." He could have been a millionaire many times over if he would have been willing to forsake the people in the school.

After Dr. Kinley left Ohio, [the first earthquake in the school l(physical)] it came to pass, just as he said it would, there would be a psychological shake-up not many days after he left, and erroneous doctrine did start in Ohio and spread clear across the Country to California. Many concepts of what Dr. Kinley was teaching was taught in cottage meetings and other gatherings, and even in class sessions with Dr. Kinley sitting there. From time to time, Dr. Kinley corrected the doctrinal errors, addressed and exposed much of the immoral conduct, and stated that he was being blamed and that what they were doing was said to be something that, he as the Founder of the School, had taught them. He went on to say that people in the world, just from common decency and moral conduct, would put some in the school to shame even without having heard the gospel preached to them. Moreover, he said: "You have the Divine right to anything that is righteousness, but nobody has the Divine right to nothing that is wrong!"

When Dr. Kinley left by taking off the flesh (or passing away) in 1976 [this was the second earthquake in the school (spiritual)], this time there came a spiritual shakeup not many days afterwards. For the past eighteen years, it has flourished through the schools to the extent there is no one that has been taught, since Dr. Kinley's passing away, that knows right from wrong because they, as international officers, deans and teachers, have completely deceived the people that they have taught and will never admit that they have made a mistake and have ever been wrong, about anything. Those that teach you will use the expression “Dr. Kinley said.....” whatever, and that you are not supposed to have any way of finding out whether or not Dr. Kinley said or did not say, whatever he is quoted as having said. Always remember this, Dr. Kinley said after the Vision and Revelation, he went back and re-read the Bible, the same book that he could quote verbatim, and it read just like he had been shown, notwithstanding the errors that are in it. This then, in part, is what Dr. Kinley taught versus what he did not teach.

A. DR. KINLEY: The first and only Man that YAHWEH-ELOHIM created in his image and likeness, breathed the breath of life into his nostrils and he [Adam] became (instantaneously) a living soul! That Adam was YAHWEH-ELOHIM himself in the Garden, therefore he was not in the transgression. Moreover, he taught: “I am YAHWEH. Don’t be offended, that’s who you are!”

It has been taught: “I’ll be damned if you’re YAHWEH!”

B. DR. KINLEY: The Holy Spirit is in all, through all and that’s all! YAHWEH-ELOHIM had Moses to build a Tabernacle that he [YAHWEH] might dwell among them and the phenomenal cloud, that denotes Spirit, DID take up residence in the Tabernacle, just as he had already done in the tabernacle of the Man, Adam!

It has been taught: “Everybody does not have the Holy Spirit in them!”

C. DR. KINLEY: All the time you argue that Israel did not come out of Egypt under the cloud, you’re standing under one, your brain! And you can not stay out from under that! Have you ever seen anybody run out from under their brain?

It has been taught: “Stay out of the cloud! We don’t want no cloud riding around here!”

D. DR. KINLEY: *You are not come to the Mount that cannot be touched but you are come unto Mt. Sion and to the City of the Living ELOHIM, the heavenly Jerusalem, and to an innumerable company of angels; the General Assembly and Congregation of the first born which are written in Heaven and to YAHWEH the judge of all, and to the Spirit of Just Men made perfect, and to Yahshua, the Mediator of the New Covenant.*

They have taught: *“You’re lucky to be a son, forget ELOHIM. No one has reached that state yet.”*

E. DR. KINLEY: *The breath of life into the nostrils of Adam was the Holy Spirit or the Holy Ghost taking up residence (in Adam) in the Garden. Therefore, YAHWEH had provided a sacrifice (Adam) before the transgression took place. And the entire human family, including Eve, was in Adam.*

They taught: *“Man has the Holy Spirit, but not the whole Spirit.”*

F. DR. KINLEY: *Everybody has the Holy Spirit (ghost) in them, including the Devil. What is it that plagues Man when he does wrong? That is the Holy Spirit in him, that is warning Him of wrong doing.*

They taught: *“Adam, though he was created body, soul and spirit, did not have the Holy Spirit.”*

G. DR. KINLEY: *John the Baptist was born as YAHSHUA, filled with the Holy Spirit from birth (immaculate conception), that he might bear witness of YAHSHUA, being the Savior or the Lamb of YAHWEH. His head was cut off, signifying the cutting off of the Prophecy, that he might appear in the Mount of Transfiguration and at the Ascension with Moses (Moses being the first and he (John) being the last testifying that Yahshua was the True Elohim).*

They have taught: *“John the Baptist lost the Holy Spirit. This is predicated on the fact that John asked the disciples to ask YAHSHUA, “Is he the One or shall we seek another!”*

H. DR. KINLEY: *YAHSHUA came to fulfill that which He had already instituted in the Law and the Prophecy, that He was the fullness of the Supernal Nature of YAHWEH manifested bodily. The first Adam was a true figure of the second, therefore as Paul wrote, Adam was not in the transgression, but willfully died for Eve just as YAHSHUA, having no transgression, willfully died for the entire human race.*

It has been taught: *“Adam died the worse death a Man could die. He found out that he had a carnal mind in a physical body!”*

Question: *In the fulfillment, when did YAHSHUA, the “second” Adam, find out that he had a carnal mind in a physical body?*

I. DR. KINLEY: *According to the Vision given to Moses and written in the scriptures, Mother Earth, in her virgin state, gave birth to One, Only created Son, Adam. YAHWEH-ELOHIM could not reach down and form the woman from the Earth, because he is proving that Adam is the source by which all the generations of Man must come! Therefore, Adam did not have any brothers or sisters. The prophecy stated, “Behold, a virgin shall conceive and bring forth a Son.” When the virgin Mary gave birth to YAHSHUA, it was fulfilled and the end of child bearing. It would be wise to remember that the First Adam and the Second Adam were the Son of None, after the flesh. Therefore, there is no divine scriptural proof for the following:*

It has been taught: *“Mary gave birth to other children after YAHSHUA, so he did have brothers and sisters.”*

J. DR. KINLEY: *That (condensed) YAHSHUA was back there with Moses in Egypt instituting the Law. Israel followed the phenomenal cloud out of Egypt, but did not see any similitude (ELOHIM) in the cloud. The phenomenal cloud is Spirit and ELOHIM is in the cloud. What you have here is the Father, YAHWEH, by the Cloud; the Word, ELOHIM in the cloud; and the Holy Spirit YAHSHUA, is with Israel. John wrote: “In the beginning was the WORD (ELOHIM), the WORD was with YAHWEH and the WORD was YAHWEH. And the WORD was made Flesh (YAHSHUA) and dwelled among us, fulfilling; and we (Apostles) beheld his glory. The glory as of the ONLY Begotten of the Father, full of Grace and Truth. YAHSHUA was born under the Law, made of a Woman, made under the Law, to redeem them*

(Hebrews) that were under the Law. YAHSHUA means YAHWEH IS SALVATION. The Prophet wrote: “Besides me (YAHWEH) there is no Savior! Hear O’ Israel, YAHWEH, our ELOHIM is YAHWEH a Unity!

1. Moreover, YAHWEH-ELOHIM manifested himself in YAHSHUA in Egypt.
2. YAHWEH-ELOHIM manifested himself in YAHSHUA with Moses and Israel in the wilderness.
3. YAHWEH-ELOHIM manifested himself as YAHSHUA in Canaan’s land.
4. YAHSHUA reveals himself at Shechem when he gathered all of Israel and told them that he was the One that had delivered all of the Patriarchs and them.

It has been taught:

“YAHWEH was the Savior under the Law, BUT YAHSHUA is the Savior in the Present Kingdom Age.”

Question: How did you get the Unity separated?

K. DR. KINLEY:

Aside from the three-fold Supernal Nature of YAHWEH meaning: the Father (YAHWEH), the Son (ELOHIM or YAHWEH in shape and form), the Holy Spirit or Holy Ghost, YAHSHUA IS YAHWEH manifested in a prepared sacrificial body, there is nothing else. The Apostles knew and understood when they wrote, “YAHWEH sending his own Son,” that it was YAHWEH Himself moving into a sonship degree, that YAHWEH IS ELOHIM AND YAHSHUA, and that ELOHIM and YAHSHUA are the True and Faithful witnesses of YAHWEH. YAHWEH who is ELOHIM manifested in YAHSHUA, said “YAHWEH is Spirit and they that worship him MUST worship him in Spirit and in Truth.” John wrote: “He that hath the Father hath the Son!”

They have taught:

“We know that it’s all YAHWEH, but YAHWEH wants us to worship his Son in this Age.

So, it is possible for you to know what Dr. Kinley taught or did not teach and he certainly did not teach the things they have taught. The same Divine Inspiration by which the Biblical records were revealed and written, is the same Divine Inspiration by which Dr. Kinley taught; as he revealed the esoteric secrets of the mystery of YAHWEH, OPENED the Seven Sabbath Seals, freed the children of YAHWEH of a carnal mind, exposed the Mystery of Iniquity and sealed up Satan and his ministers, reserved for the Lake or eternal damnation. Moreover, what Dr. Kinley taught is on audio tapes of his lectures, transcripts, writings of his lectures, textbooks and pamphlets that he wrote. Remember this, it was Dr. Henry Clifford Kinley that had the Panoramic Vision and Panoramic Revelation, and the Institute of Divine Metaphysical Research, Incorporated was founded upon that and that only!! Anyone, regardless of positions or offices in the school, are supposed to be partakers and teachers of the same Vision and Revelation taught them. If they teach anything contrary, opposite or different than what Dr. Kinley taught, they are as Lucifer and His Host that were cast out of Heaven, Cain and Judas that lost their part in this ministry, and are found to be false witnesses!

Finally, it has come to pass again, as the Apostle Paul said during his ministry and Dr. Kinley said during his: “I marvel that you are so soon removed from Him (Dr. Kinley) that called you into the Grace of YAHWEH unto another Gospel: Which is not another (Gospel) but there be some that trouble you, and would pervert the Gospel of YAHWEH (which is that YAHWEH-ELOHIM manifested in YAHSHUA was reconciling the world unto himself, that YAHWEH might be all in all). But, though we, the Apostles, or an angel from Heaven, preach any other Gospel unto you than that which we (the Apostles and Dr. Kinley) have preached unto you, let him be accursed. As we have said before, so say I now again: “if any Man preach any other Gospel unto you than that you have received (from Dr. Kinley) let him be accursed.”

THE PICTURES OF DR. HENRY C KINLEY and DR. KATIE G. KINLEY

It is common knowledge, at least to some, that even before the first textbook was published, Dr. Kinley said he did not want his picture on or in any of his writings. It is also common knowledge why he said this, which was, that he did not want people to look at him, but to read, look at and understand what he wrote. Dr. Kinley passed away in 1976, and Dr. Katie Kinley, his wife, passed away in 1986. So it is not possible to look at either one of them now.

Moses gave the Divine record that when Adam was risen from a deep sleep (or death) the first one to see Him was the Woman, Eve. The Apostles gave the Divine record that when YAHSHUA was risen from the dead, the first One to see him was the Woman, Mary Magdalene. YAHWEH foreknew that Satan, the Accuser of the Brethren, would Lie, being the Father of Lies, and would say that the Disciples came and stole the body, YAHSHUA, out of the tomb. Ten years from the Day of Pentecost, Peter was bound down in prison and the Angel of YAHWEH smote Peter on the side and raised him up, saying: “Arise up quickly!” And his chains fell off from his hands. Following the Angel, they went past the first and second ward and the gate to the City opened up of its own accord! The death, burial and resurrection of YAHSHUA was reconfirmed. The first one to see Peter risen from death was the Woman named Rhoda, at the home of Mary Mark. When Dr. Kinley was risen from the dead (that is to say a carnal mind is death), the first one to see him was the Woman, Katie, his wife.

Their love for each other had caused them to marry at the young age of seventeen. They loved their parents and as they began to have children of their own, they taught them with the same loving ways by which they were brought up; to be children that other people would love as they did.

In their young married life, a girl was stillborn and their second child, Richard, passed away at the age of six years and nine days. Both Henry and Katie have talked about Richard to their children that were born later, saying that he was a very good and obedient child. He was quiet and never had too much to say. He loved his parents and never gave them a moment of trouble. This is why they were so troubled at his passing. After Richard had been buried and they had obtained a marker for his grave, Katie could not go to the grave sight to place the marker on his grave. A brother-in-law went to Katie, understanding her grief, and told her he would go to the cemetery and place the marker for them, and it was appreciated by Henry and Katie. At this time in their lives, they were as everyone else, loving each other and their children and always desiring the best for them. Neither of them understood death and both lived the life of what they understood to be holiness. This meant no jewelry, earrings, no ankles showing on a woman, no necklaces, no neckties, no make-up, no musical instruments in homes, along with many other ceremonial rituals.

After Dr. Kinley had the Vision and Revelation, it goes without saying, that it revolutionized his whole being. He was as He had said to his wife, Katie: "from this day forward, I'll never be the same!" When he started teaching in 1932, Katie began to understand, to some degree, what he meant and that there was something great that had happened to her husband. The six children, as they grew up, they too, began to understand what their father was teaching. They asked him questions that only he could answer. As others, over the years, began to understand that true gospel, we as a family, knew that our father was not just our father, but the father of the whole human family. Despite the hard times and the separation of Henry and Katie several times, they still loved each other and their children loved them both.

The next sorrow of Henry and Katie and their children was when Clifford, the eldest son and eldest brother of the family, was badly burned by hot boiling magnesium, while he worked in Springfield, Ohio, in 1944. He was burned so badly that coverings could not be put on his body, because it would stick to his burns. Dr. Kinley was sent for, to come to the hospital. The doctors having seen the extent of his burned condition said, "We gave him all that we could to ease the pain and suffering, but in the morning take him to the morgue. He will not live 'til morning!" Dr. Kinley arrived at the hospital and looked at his Son with great compassion and said, "Clifford, your burns are really bad, but you will live!" He took hold of Clifford's hand and asked: "Is there anything you want me to do for you?" Clifford asked his father for a cameo ring with a diamond on each side. Dr. Kinley found the ring Clifford wanted and took it to him in the hospital. The family visited the hospital as often as was permitted. So, during visiting hours, there was always a member of the family with Clifford. After nine months, a couple of weeks and days, and 63 skin grafts later, Clifford was released from the hospital and returned home to his wife and daughter.

The next sorrow of Henry and Katie was the death of their son, R.P. Kinley, in October of 1959, while living in Cincinnati, Ohio. After 27 years of Dr. Kinley teaching, all of the family understood that death was not the end and that the resurrection, ascension, and entering into the rest with YAHWEH, was still going on since the Day of Pentecost. This knowledge and true understanding was of great comfort at the loss of a Son and a Brother. Clifford had moved to California to be with his father, in classes. After several years in California, Clifford moved to Detroit, Michigan. When Clifford became ill in Detroit, Katie went from Springfield, Ohio to Detroit, Michigan several times by bus, to be with him in the hospital. On one of her visits to the hospital, Clifford was sitting up in bed talking with Mother Katie and said "Mama, look! There's R.P. in a beautiful place. That's where I am going and that's where you will be Mama. But you can't go now." Both Katie and Clifford understood, that flesh and blood cannot inherit the Kingdom. So, they both knew that he was seeing a Vision. Then, it was confirmed what Dr. Kinley had said at R.P.'s funeral, "He is safe, he knew the purpose of YAHWEH." The evidence of this being true is, the Charts hanging in class rooms

everywhere! Clifford, the eldest Son in the family, passed away in Detroit on December 24, 1973. Services were held in Detroit and Springfield. Dr. Kinley and his Son, Glenn were two of those that flew from California for the funeral services in Springfield. Just moments before the plane's landing gears were let down, Dr. Kinley turned to Glenn and said, "Don't worry yourself about Clifford. He apologized for his mistakes and he is safe!" Clifford was buried in the same cemetery, across the road from where Richard was buried. Clifford was the only child of the family that knew and played with Richard. Dr. Kinley and his Son, Glenn then attended class in Springfield.

Glenn spoke first and Dr. Kinley followed, being the last speaker. The next day they returned to California. Dr. Henry C. Kinley, after forty-four years of teaching and having proved that he was YAHWEH himself manifested in this last day, passed away on February 9, 1976. Services for him were held in California. His body was flown to Springfield for services. Dr. Henry C. Kinley was buried, just a stone's throwaway from where Richard was buried. The wrong birth year, 1895, is on his head stone. It should read September 30, 1896.

Lena, the eldest of the two girls in the family, was faithful with her father. She assisted in many endeavors undertaken in Springfield and California. She worked along with others in promoting the Doctrine and became a faithful companion to Dr. Gross. She worked and fed anyone that came along. Their home was always open to everyone that wanted to come and partake of this Great Gospel. Lena passed away in California, January 6, 1980. Services for Lena were held in California and Springfield, and she was buried next to her father, Dr. Kinley. Katie, a loving wife and devoted Mother of the children she bore in marriage to Henry C., also worked with her husband in promoting the Vision and Revelation he had received. As she grew older, her hearing became worse and her learning and growing in understanding was impaired as she did not like to ask people to repeat something over and over, just for her. Henry, her husband, and her children had learned how to talk with her where she understood what they were saying to her at the time it was being said. This, along with domestic problems between Henry and Katie, lead to their being separated several times; but, never in hatred one for another. During one time they were separated, Katie, with the last two children of the family (Glenn and Jack), lived with her parents. Katie's father, Arthur Glenn, sent for Dr. Kinley while he lay very sick. Dr. Kinley came to the home, Glenn opened the door for Dr. Kinley. They greeted each other and Dr. Kinley said that Papa Glenn had sent for him. Glenn showed Dr. Kinley to the bedroom where his Grandfather was. Glenn stood at the door and watched his father and Grandfather as they greeted each other and held hands. Arthur Glenn asked Dr. Kinley, his son-in-law, to forgive him for things he had done against him years ago. Dr. Kinley said, "Papa, I've forgiven you a long time ago for those things." These things had been done years before Dr. Kinley received the Vision and Revelation. After Dr. Kinley said his farewells to everyone in the house, Arthur summoned his wife Lena to come to his bedside and told her: "I do not want that Roman Catholic Priest in the house anymore. I have made

peace!" Shortly afterwards, Arthur Glenn passed away. Lena Glenn, Katie's Mother, told Glenn as they sat in the den of their home, "What your father is teaching is true and it is right that you should love him as you do." Dr. Kinley had caused his parents and Katie's parents to see and understand the Gospel he taught. While Henry and Katie lived at 624 Pleasant Street, Dr. Kinley said to her that the people in the school looked upon him as a father and he wanted her to be a Mother to them. Katie did not want to take on the responsibility of being a Mother to the people in the school. She had lived with the loss of two children, Katie and Richard and their eldest Son, Clifford, having been burnt so badly, and she did not think she could do it. In 1958, when Dr. Kinley went to California, Katie stayed in Ohio and attended classes. In 1969, she was at the convention in California. On one of Dr. Kinley's visits from California, Katie sat down with her husband and told him that she knew who he was. That he had a mission in the world and that she had seen the angel that announced Glenn's birth before he was born. Dr. Kinley, himself, told Glenn about the conversation between them and said, "I thought you would be happy with what your Mother told me!" Glenn wrote to his Mother in Springfield and asked her to come and visit with him and the School in Pasadena. Since the people Glenn had taught did not have the chance to meet Dr. Kinley, they would at least get to meet and talk with her. Katie did come to Pasadena, taught and visited with the people there. She lived to see five of her children pass away and the death of a beloved husband. Her life was not filled with nothing but bad things, but good things and good health, and she endured until June of 1986, ten years after the Founder passed. Then, she too passed away.

IT IS WITH THE GREATEST ADMIRATION, LOVE AND RESPECT THAT THE PICTURES OF DR. HENRY C. KINLEY AND HIS WIFE, DR. KATIE KINLEY APPEAR IN THIS, ONE OF MANY WRITINGS OF HIS, SENT TO HER. MAY THE WHOLE WORLD, NOT JUST THE PEOPLE IN THE INSTITUTE THAT HE FOUNDED, COME TO KNOW HOW MUCH THEY GAVE OF THEMSELVES, THAT PEOPLE MIGHT KNOW YAHWEH AS HE REALLY IS FOR THEMSELVES!

Dr. Henry Clifford Kinley

1896 – 1976

Dr. Katie Glenn Kinley

1896 – 1986

SUMMATION

LETTER OF INTRODUCTION

TO: The General Assembly of
 The Institute of Divine Metaphysical Research, Inc.

FROM: Dr. Glenn W. Kinley

SUBJECT: ENOUGH!! THAT'S IT!! NO MORE LIES!!

During the years that the Founder (Dr. Henry C. Kinley) was living, I read all of his writings and have recently read much of the written material that has been done by others in various schools from coast to coast. It is like the many versions of the original scriptures that vary from writer to writer. These writings are bad enough, but now, eighteen years after the Founder's death, the material that has been written is, to say the least, a willful attempt to put the final touches on completely destroying the Divine works of the Founder. The source of information that is actually pertinent to "The Life History of Dr. Henry Clifford Kinley," is gathered from one's that did not know or believe, even to this Day, that something as great as a Vision and Revelation had been given to Him, and what "his life" was really about from that "DAY" forward. To many, he was still the same Henry that they had always known, and they did not begin to attend classes until some fifteen to twenty years later, in Ohio. Even his mother openly admitted that he was not the same "Son" that she had given birth to.

The writings concerning the Vision and Revelation, even in the text book, have been embellished upon so much, and taught in so many versions from school to school, that NO ONE would ever come to understand and appreciate what really happened. When Dr. Kinley was asked about some of the things that were written in the textbook about the Vision and Revelation he received, he replied in a perplexed manner: "I did not write that! They have pieced that together over the years from the things I have tried to impart to them, and that's what they wrote and put in the textbook. NO Man can write the Vision and Revelation I had. You either get it from me or you're lost!"

One of the reliable sources of information about Dr. Kinley and "his life" before and especially after the Vision and Revelation, was his wife Katie: and, believe it or not, his own children!! As the school started in Cincinnati, Ohio, many paid little or no attention to Katie, nor respected her as the wife of Dr. Kinley and mother of his children. They, of the school, thought even less of Katie

and her children once they had Dr. Kinley in California, until they needed some information from her, after Dr. Kinley's death! A book has been written and a video tape has been made, both of which are entitled: "The Life History of Dr. Henry Clifford Kinley and the Institute of Divine Metaphysical Research." Praise be to YAHWEH that the video tape is for ONLY MEMBERS of the Institute and NOT sent out into the world! When anyone would sit down to read or view this material, no one would find out anything about the "life" that was IN Dr. Kinley which was, and yet is, Eternal Life AND Immortality Brought To Light! The video tape opens with a picture of Dr. Kinley sitting on a mount, taken in California, looking towards the Heavens. Under the picture it has his years of life as to have been from 1895 to 1976. As the video tape plays, it comes to the hand written note from Katie, in which she states the birth dates of all of the family members, beginning with Henry Clifford Kinley's birth date, SEPTEMBER 30, 1896, then her own, Katie Kinley, APRIL 9, 1896. The book that is referenced here, has the picture of the home at 1008 Park Avenue, Springfield, Ohio, on the front cover. This is the house that Dr. Kinley was living in with his wife and six children at the time he received the Vision and Revelation.

On page 4 and page 57, reference is made to the handwritten note on the video tape, but leaves out the birth dates and years of Henry and Katie Kinley in the book. On page 55 of the book it is elaborated upon from several sources of the birth date and year of Dr. Kinley to be SEPTEMBER 30, 1896, which he himself stated as being true. It also states, the reason he changed it from 1896 to 1895. It should be considered and remembered that he did this about seventeen years before he had the Vision and Revelation. It was about seventeen years later that he received the Vision and Revelation, when he was 33 ½ years old, on JUNE 6, 1930!

PHYSICALLY / The Facts Are:

- A. He did state that he was born, SEPTEMBER 30, 1896;
- B. He did state that he changed his birth year from 1896 to 1895; AND
- C. He did state why he changed his birth year—to marry!

SPIRITUALLY / The Facts Are:

- A. NO MAN can change the times and seasons, his birth, life or death, that YAHWEH has fore-ordained within Himself according to His Purpose;
- B. Dr. Kinley's birth date and year would have to be according to the Purpose that YAHWEH had fore-ordained; AND
- C. Dr. Kinley stated his personal reasons for 1895. Yet, no matter how "overwhelming," it does not make his actual birth year, 1896, INVALID.

This stupid and downright ignorant explanation used, of being so “overwhelming” (for continuing to use 1895 for the birth year of my father), is typical of the blatant dispositions and attitudes of international officers for years with their Board of Trustees, Public Relations, Deans, Guards, Followers and, in short, their modern day Sanhedrin Council; and no matter how it is said, is disrespectful, to Him and the Truth! They are willing to sell their souls and eternal life to stay in “favor” of these hypocrites! Permit me to pose a statement and question here.

Statement: Henry Clifford Kinley was not the only male child born all over the world, on SEPTEMBER 30, 1896.

Question: Of all the male children born all over the world, or just in Greenville, Kentucky, on SEPTEMBER 30, 1896, which one of those born, at that time, did YAHWEH choose to reveal Himself to?

It could be said: “This is a stupid statement and question to make and ask us! We know who YAHWEH chose to reveal Himself to. It was Dr. Henry C. Kinley!”

If this is accepted as being true, then is it not as equally stupid to teach things that He (YAHWEH) did not teach for salvation!?! I have sat in classes and heard it said [in boast]: “Dr. Kinley has placed us in office and our offices are permanent!” Is this not the same YAHWEH-ELOHIM that was manifested in Dr. Kinley that created the Heavens and Earth and permanently placed all things to function in the office wherein he hath appointed? Where then is the boast in the office of the sun, moon, stars, birds, mountains, sons and daughters, except it be that they have praised, honored, obeyed and glorified YAHWEH?! Would it be so hard to believe, see and understand that here is a man [Dr. Henry C. Kinley] that loved, and desired to marry a woman [Katie Glenn] so much that he would go so far as to change the record of his birth year for her; so as not to shame her, simply because she was five months and twenty one days older than he was (or as was the custom at that time)?!

Would it be so impossible for Katie, this same woman, to know when her husband was born? Likewise, their own children, that over the years of their lives and for various reasons and times, filled out questionnaires that asked the names of their parents, dates, times and places their parents were born!

I have visited schools where I video taped classes for the purpose of showing the school in Pasadena, the people that were teaching, and they would get to know them, should they ever meet them personally. But, what I have seen and witnessed, is the corruption that is being taught, and it is a shame, before the throne of YAHWEH. I am not one that showed up a few years ago and am trying to take over the schools, after the death of my father. I was there from the beginning of his teaching, and have "seen" just who Dr. Kinley WAS and IS! I promised Dr. Kinley that I would continue to teach what he taught and visit schools to try and help them, in the schools, to come to the reality of man's inseparableness from YAHWEH. If by some honest reason, I can do or say something that will cause Man to come to a profound and absolute understanding, and prove that His destination and his origin is in YAHWEH, then I will have done that which YAHWEH has required of me. This can only be accomplished by teaching the True Gospel of the Kingdom which IS ELOHIM in YOU, the ONLY Hope of Glory. It is with this that is written in me of YAHWEH, that I have written all that is contained herein.

MY LIFE WITH HENRY and KATIE KINLEY

I, Glenn W. Kinley, am the seventh child born to Henry and Katie Kinley, on April 22, 1927. I was born at 373 Raffensberger, in Springfield, Ohio. The house that I was born in, Dad and Mom both spoke about them closing all the doors at night before going to bed. In the morning when they got up, all the doors would be open. This was also the house where the Angel appeared upstairs, in their bedroom, and announced to Dr. Kinley what this Son {Glenn} would be to him {Dr. Kinley} in the Gospel that he was yet to receive. Dr. Kinley talked about this event on many occasions saying, that as he lay there in bed gazing at the Angel, he eased his hand slowly across the bed to touch Katie, to see if she could see the Angel too. But he thought to himself, that it might frighten her (being with child), so he eased his hand back away from his wife.

While Dr. Kinley and Glenn both lived in California, Dr. Kinley, on one of his visits with the Springfield class about thirty three years later, sat down with Katie and she confessed that she did see the Angel and that she knew what the Angel said concerning the Son she was yet carrying. And, she expressed many other things she knew, including, who He [her husband] was. Dr. Kinley instructed Springfield to put Katie up to teach, because she could be of great help to all of them there. My father, himself, told me of this conversation between he and my mother, when he returned to California. In 1981 or 1982, when I visited the Springfield class, Katie was asked "Why don't you or aren't you called to teach?" She humbly replied, "They would not listen to me anyway!"

When I was born, the doctor told my mother that he did not expect me to live very long, but would do all that he could to be of help. This caused my parents to keep a very watchful eye on me from birth. It was from this house (that I was born in) that the family moved to 1008 Park Avenue, and that was the first house I remember having lived in. It was the house where my father had the Vision and Revelation. I was three years old at the time. During the few years in this house, it seemed that every childhood disease that came along, I would get it. To keep from going up and down the stairs all day long, my mother made a pallet on a library table for me, that sat against the window downstairs. My father would carry me downstairs in the mornings and upstairs at night.

As I lay sick, I could look out the window and see my brothers and sisters, and sometimes the neighborhood children playing in the front yard. Though I too wanted to play, I was too weak, tired and had a high fever that caused me to sleep a lot; and everything seemed to feel and sound far away. I remember my father making sure that I was covered up, feeling my forehead and, he would sit close by, where I could see him writing and reading books, as he kept a watchful eye on me and the rest of his family. My mother would bring me some kind of broth or homemade soup, to get me to eat. I would only eat a couple of teaspoons of soup and drink a couple of sips of water. My baby brother, Jack, would come and look at me, then look at our mother and say, "Mom, I guess it will be my turn to get sick next." Sure enough, several times, Jack would come down with something, but would overcome his sickness much sooner than I did. I remember waking up one day, mid-morning, and feeling much better. Things did not seem so far away, but normal, quiet and peaceful. After I laid there for a while, I very carefully eased myself down off the library table, and walked very slowly towards the kitchen, where I could hear my mother doing something. When I walked into the kitchen, Mom was standing at the stove stirring something in a pot. I said, "Mamma." As she turned around, quickly, surprised to see me up, I walked over to her, looked up at her and said, "Mamma, can I have some jelly and bread?" Her eyes welled-up with tears. She wiped her eyes on her apron, picked me up, hugged me and sat me at the kitchen table and said, "Yes, Glenn, you can have all the jelly and bread you want!" She sliced the bread and made the sandwich for me and I did eat. I learned years later from her why she reacted the way she did. It was the first time she had ever heard me ask for something to eat.

After the Vision and Revelation, during the years from 1930 to 1932, Dr. Kinley was very quiet. He did not care for noise around him, in or out of the house. When Mom would comb Lena and Rachel's hair, they would cry (as children do). Dad would tell Mom, "Katie, let me show you how to do that." Dad would take the back of the comb and pretend that he was combing the girls hair

and ask, "is that better?" Of course, Lena and Rachel said, "Yes," and they always wanted him to comb their hair.

Clifford was the eldest child in the family and he was very active. He liked boxing like Dad and would play with Richard like they were boxing. Clifford was the only one of the children that actually remembers Richard and playing with him. Mom told us about Clifford. When he was a child, he came in the house one day and let the screen door slam. Dad said to Clifford, "Can't you slam that door any harder than that?" Clifford went back, took hold of the door and slammed it as hard as he could! The screen door came off the hinges and almost fell to the ground. Dad looked around and went to say something to Clifford, but Mom stopped him and said, "Cliff, you should not have told him that about the door! He thought he was obeying you!" Dad knew that Mom was right. So he got up and fixed the door and said no more about it.

Clifford and R.P. had become even closer to each other after Richard passed away. Clifford had wanted to be a good tap dancer and was always willing to work hard to accomplish whatever he put his heart into, and worked at various jobs. R.P. liked doing things as he had seen his parents do. Dad, many times, would bake and cook meals for the family and Mom has often said he was a much better cook than she was. When Dad would bake big round sugar cookies, you could smell them all over the neighborhood. We lived in a mixed neighborhood and the little children of all colors would come to the back door, with their little noses pressed against the screen, waiting for a big sugar cookie. Dad enjoyed passing them out and watching them eat. When Lena and Rachel were born, the boys, especially R.P., became very protective of their sisters.

Lena loved to eat, and started cooking at an early age. When she cooked or baked, she did not always follow the recipe. She, for example, thought if a recipe called for two cups of sugar and it would be good, three cups ought to make it better. Nevertheless, we all ate whatever she prepared. Lena did develop her own recipes, and became a very good cook. Rachel liked reading good books, and was very apt in school.

Dad loved wild greens, and would take several grocery bags and the older children to gather wild greens; such as dandelion, poke, mustard (and many other kinds that he knew) in the pastures and fields along the river where he often went to fish. He always insisted that his children stayed where he could watch them as they picked greens together. When they came home with bags of greens, Dad would wash and clean them and put them on the stove to cook, and seasoned them with salt pork. One evening, Dad, Mom and their children, gathered around the table to eat. Rachel was served some of the greens, but did not like them. Dad

asked Rachel to pass her greens to him. He tasted them and made a fuss about how they tasted and said: "I don't blame you Rachel, I would not want to eat them like that either!" Dad cut the greens up, put some vinegar and a little garden fresh onion on them and said: "Try them now, Rachel. I know you will like them better now. I would eat them like that myself!" Rachel loved the way Dad had fixed the greens and from that time on she would not eat greens any other way.

As the children, Clifford, R.P., Lena and Rachel reached the age to attend school, they went just a few blocks up the street and the next cross street from the home on Park Avenue. R.P. did not want to go to school at first and made Clifford late trying to coach him to go, many times. After R.P. was made to understand that he MUST go to school, he did well.

I, (as the family grew up in a small city like Springfield, Ohio, everybody had a garden of some kind) became tired of beans prepared in any kind of way. Mom would fry some potatoes for me, because she liked meat like I did. There was a man that would come to the house and would ask to speak with Mom. He wanted to trade the fish he had caught for some home cooked beans and cornbread. This worked out fine for the both of them. Mom would rather have fish than beans. As Jack grew old enough to feed himself, he was placed at the table to eat in his high chair, with the rest of the family. Jack would wait until his food was prepared for him and his plate was set in front of him. With a big smile, he started to eat, but everyone at the table would keep an eye on him, for as soon as Jack finished eating, his plate was quickly taken away; because Jack had the habit of taking his plate and rubbing it in his hair and his hair had to be washed out. Jack as a child was not one to say much. He expressed himself with smiles and gestures of happiness. Dad and Mom came to the conclusion that this (taking his plate and rubbing it in his hair) was his way of saying he was happy, and he enjoyed the food that was prepared for him.

When the family moved to the east side of Springfield on Buxton Avenue, Dad's parents lived three blocks down on Buxton and Mom's parents lived in the next block, up the street, the first house around the corner on Lexington Avenue. So, we had loving parents and grandparents on either side of us, as well as many other relatives. At one time or another, as all the children grew of age to attend grade school, we all attended the same grade school that both Dad and Mom attended; along with many of our first cousins. It was from the home on Buxton Avenue that Dad went to Wyoming, Ohio to work in insurance, and when he was doing well, he furnished us a house at 810 Burns Avenue where we continued our education.

Lena, having started school a year ahead of Rachel, failed a year in junior high and Rachel caught up with her, and they stayed together through the rest of their education. They graduated together from the same high school in Cincinnati, Ohio where we had moved from Wyoming, Ohio to 419 W. 7th Street. Lena took a course in nursing, graduated and worked as a nurse for many years. And she also liked cooking and baking. Rachel loved reading books and took to secretarial work and typing. She worked for many years for the government. While we lived at 419 W. 7th Street in Cincinnati, Rachel and I took trombone lessons, using the same trombone but having different times for lessons. The trombone had a crack in the slide part of the instrument, and was never fixed. I still loved music and wanted to play drums. I took drum lessons in junior high and played in a musical recital at school, and became acquainted with professional drummers that were willing to teach me. Meanwhile, the older children had left home and were employed in the work field. The rest of the family moved to 503 Lincoln Park Drive and it was from here that our mother, Katie, took me and Jack back to Springfield, Ohio. While Jack and I continued our education in Springfield, I saw a set of drums I wanted. Mom told me that I could work during the summer vacation to buy the set of drums. When Dad found out I was learning to play drums, he had me play for him. After I played for him he said: "That's alright Glenn. Do you know or have you learned there are seven notes in music?" I answered: "Yes Sir". Then Dad asked: "Do you know WHY there are just seven notes?" I answered: "No Sir." Dad said, "Well, the seven notes in music are like the seven days in creation. The number seven denotes perfection or the Sabbath. Then these seven notes make up one octave. When you start the next octave or the first note, it is the beginning of another cycle. Do you understand what I just said, Glenn?" I answered in awe: "Yes Sir!" So then my first true lesson in music came from my Dad, and I never forgot it! Finally, at the age of fourteen, I began to play drums in a combo around Springfield, on the weekends. Because I was very sick as a child, I started school a year later than the others children in the family. I was not allowed to finish high school. I had passed to the twelfth grade, but had turned eighteen in April of 1945 and was drafted into the Army. None of the boys of the family graduated from high school. So, Jack was encouraged to finish and graduate high school, and he did. Jack then went to barber school, finished his course and went to work as a barber in Springfield. During these years, the family had settled down in employment. Some of us got married and began to have children. All the while, we stayed close as a family and remained close to our parents, just as we had been all of our lives.

While in the Army, I worked as a clerk typist, in the office of the Adjutant General. I gather together musicians from the camp I was stationed in and visited other camps to locate other musicians. As I found musicians, I asked the Adjutant General to request that they be transferred to the 8th Army camp where I was stationed. I had gathered seventeen men that played instruments, could read and write music arrangements for bands, and by rehearsing every evening after everyone was off duty, it did not take long for the band to become very good! I wrote to the Commanding General, requesting that the band be transferred and attached to General Headquarters Unit, in Tokyo, Japan. The request was promptly granted, as the news of the big band had spread. The band's primary function was to play for USO entertainers that came from the United States to perform for men in service. When we were not rehearsing a show, the band played for the Officers Clubs all over Japan. When the time had come for me to be discharged from the Armed Services, despite the plea for me to stay by my Commanding Officer, and a promotion from Technician Fifth Grade to Warrant Officer, (a position which would give me the authority to go to camps and recruit any musicians to replace those in the band that were to be discharged), I respectfully declined the offer of making a career in the Armed Services, by continuing as the Musical Director of the Band. My true desire was to return home to be with the family and to continue to learn and hear the Gospel, and play drums. I rejoined the combo I was in, before going to the Service. A radio station in Springfield wanted a disc jockey that was knowledgeable of music, and had some kind of musical background. I was hired and given a one hour show and I became the first "Negro" Disc Jockey in the State of Ohio. I named the show "Escaping the Blues." The show aired live from the stage of a night club, and I would have band leaders as guests on my show. Finally, I trained another disc jockey because some of the big band leaders wanted me to play drums in their bands. Knowing that I did not get to finish high school, because I was drafted into the Army, I went to college and graduated in a course of General Business and Higher Accounting in 1949, and through the early part of 1950. Afterwards, I would consider offers from bandleaders to play, and I did.

When I was home between big band engagements, I went to classes wherever Dr. Kinley and Dr. Gross taught. When I was traveling, I studied the things I had learned and always remembered the first music lesson that my father had shown me. In 1951, Dr. Kinley told me that I was going to have to give up playing drums professionally because YAHWEH had declared that I was to be a minister in this Gospel with him. When R.P. found out I was going to retire from music, R.P. asked me to settle in Cincinnati where he was, because none of the members of the family were there anymore. I settled in Cincinnati and went to work at the same place R.P. worked. After a while, I worked both on the job and

with jazz combos. Later, I formed a combo of my own and the music we played had a big band sound.

R.P. and I worked at the same place and as we rode together to and from work, we passed by where our Dad used to work. R.P. and I were very seldom apart from one another. R.P. and I talked about the time R.P. worked with Dad by drawing and painting the Forty Plate Chart. We both remembered, when Dad had come home from work, R.P. had done the Fourth Day of Creation. And Dad said: "R.P., the times and seasons do not go there." R.P. asked, "Why Not?" Dad said: "You have the Fall, Winter, Spring and Summer there before the Man Adam was created. It took the "Fall" of Adam to bring about the times and seasons." We sat around the table as Dad taught the both of us. He explained that Man, not knowing when something starts and when it ends, is the Doctrinal problem all over the world. When YAHSHUA fulfilled the Law and the Prophets, he fulfilled Heaven and Earth. Thus he removed times and seasons and all carnal ordinances. The Apostle Paul taught and wrote, "Let NO Man therefore judge you in meat and drink, or in respect of an Holy Day, or of the New Moon or of the Sabbath days." Dad then had us to read another part of the Apostle Paul's writings wherein he states: "Ye observe days and months and times and years. I am afraid of you, lest I have bestowed my labor (preaching) in vain." Dad asked, "Do you understand what I have been showing you?" We answered, "Yes Sir." R.P. then asked, "What do you want me to do with what I have painted, black out this one too?" Dad said, "No, you do not have to do that. But you do understand why it does not go there?" We both answered that we did understand. R.P., like the rest of the family, really wanted to understand all that Dad was teaching. He, from drawing and painting the Forty Plate Chart and living in the house with Dad, rolled up the section of the Chart that he had been working on, put the covers on the paints, took the Bible and sat down to read it. When he finished reading the Bible, R.P. went back to drawing and painting the Chart. He was twenty three years old when he started in 1944 on the Forty Plate Chart, and was twenty five in 1946 when he finished it, and the First Moses Chart. Dr. Kinley (Dad) often, as he used these Charts in classes, said: "If a child (R.P.) could understand, draw and paint the Purpose of YAHWEH as He (YAHWEH) revealed it to Him, why is it that you as adults can not catch on?" R.P. talked with me and showed me many of the great mysteries he understood that were pictorially illustrated on the Charts. He knew and understood that every Covenant or Promise that YAHWEH made, was kept. And the people, especially in the Cincinnati class, did not keep any of the Promises that they had made him.

The family believing the doctrine, having been taught twenty years, was the cause for R.P. to make the promise to Dad to make the Charts, and he kept it. He was also taught to believe that if anyone received the Gospel, they will not lie; they will not break a Promise and by the Power of YAHWEH to write the New Covenant in the heart and mind; become a new creature in the Messiah. R.P., in talking with me about the Gospel said, that he did not dislike any of the people in the School in Cincinnati, but he knew that they were not true to the Doctrine nor were they honest people, and he simply did not care to be around them. But, R.P. and I continued to be to each other those things taught to us of our father. I would go to classes wherever they were held, and eventually moved to the home of my father and mother in 1953; and became even more active with my father in the School.

I remember the Elementary Chart as it was being painted, and thinking how pretty it was when Dad would take us by the house the Chart was being done in. We knew the man that painted it and his children. In June of 1932 all of us began to hear something about what had happened to Dad. We knew the first people that became faithful to what Dr. Kinley was teaching. There was one person that, after a few years in class, passed away. And, over the years, we heard Dr. Kinley speak often of this, that when he was at the funeral he said, "I looked down in the casket and actually envied the person." Being a young man and hearing this, I thought, "who would envy a dead person?" Dr. Kinley, in teaching about death said, that people feared death because they did not understand it. At the time of death in the family or of a loved one, people are torn apart with grief and sorrow, because they have mistreated one another. They look down at the person that has passed away, and it is too late to apologize, ask for forgiveness or make peace; because their eyes are shut, their voice is silenced and they hear no more! But, you are comforted, if you walk among all men in Peace; Honest in all things, Love one another as YAHWEH has loved us All, in Spirit and in Truth: willing to forgive as YAHWEH has forgiven us ALL. Then, when one comes to the end of their so-called journey in the flesh (has fallen asleep), you are comforted that the Spirit that dwelled in that faithful servant, has returned to the Bosom of the father to await the Universal Revelation of YAHWEH from Heaven! Dr. Kinley taught and proved just what the first death was! Simply stated: the first death was to "die" to all of the preconceived ideas, opinions, theories, or in short, being carnal minded, and philosophies taught for salvation, by Satan and his ministers. If one will accept that YAHWEH is All in All, through All and that's All, by the preaching of the True Doctrine taught by "ELOHIM" himself in the Man, when the time of "death" comes, then it is the Second Death and it has NO Power over him! YAHWEH-ELOHIM that was manifested in YAHSHUA, the Apostles and Dr. Kinley, has taught the esoteric secrets of Life and Death. Dr. Kinley was asked, "Do you ever talk to the dead?"

He answered, "That's all I ever talk to!" Yet, not one that he taught took it to mean that he was out in the cemetery talking to anyone! As a part of the Purpose and Plan of Salvation, stated on the Elementary Chart, we that heard and were sealed in the preaching of the Kingdom of YAHWEH by Dr. Kinley, found out that we were "dead" in our understanding of any and everything that is eternal or immortal. We also found out the "seed" (ELOHIM) of righteousness, latent in Man, was quickened by the rivers of living waters that flowed from Dr. Kinley!

I have no words to express sincerely, my eternal gratitude for YAHWEH (Dr. Kinley) having revealed the mystery of Life and Death, before my having to experience death in the family. When R.P. passed away, I looked down at my brother in his casket, even dressed in a suit of clothes I had given him as we taught together in classes, and I was at peace and comforted in the understanding that he had pleased our father, that our father was pleased with R.P., and that he had finished his course. This is the whole duty for which Man is born. I had to face the suffering of my eldest brother Clifford, being burned so badly, and later his death. Dr. Kinley's wife Katie, and all his children, admitted to having misunderstood what He was teaching, as we learned. This I can say, that we were big enough to apologize to him and he most certainly was big enough to apologize to his family, for having put us through what he did, that others would not think that he loved his own family more than he loved them. To me, this peace between us all, was all that really mattered. Then, I faced the death of the one that taught us all, my father, Dr. Henry C. Kinley; the death of my oldest sister, Lena; then my mother, Katie. All of these, had finished their journey as faithful servants of YAHWEH, in that they held fast to that which YAHWEH revealed to them. The Spirit that dwelled in them has returned to the Bosom of the Father, that they might be a part of the cloud of witnesses that, YAHWEH is True!

As a child, and before my teen years, I honestly admit that I did not believe everything I heard my father teach. Afterwards, by the Grace of YAHWEH, I watched everything he taught or predicted, come to pass, just as he said it would; then as I understood the Mystery of YAHWEH, all that I heard from a child up, fell into place! Speaking for myself, the greatest and most difficult thing for me to come to was that my father was not just a man, he was YAHWEH Himself! This was no different than it was in previous ages and dispensations, as YAHSHUA spoke to many before and after the law given to Hebrews only, saying things like: "Said I not in your law that Ye are ELOHIM!" Another saying was, "Before Abraham was I am!" These and all things said and done were understood (or fell into place) on the Day of Pentecost, when ELOHIM appeared at NINE O'CLOCK IN THE MORNING, JUNE 6, A.M. 1, and not only opened their understanding, but dwelled in them and Man from that time on. It was revealed to them that this YAHSHUA that chose them to be Disciples was

YAHWEH Himself. The Disciples, that became Apostles (eye witnesses), never got over the fact that YAHWEH had chosen them and they were faithful to Him; and as they went forth preaching, they did not add or subtract, change, or modify, interpret, embellish or come to any progressive revelations that altered one jot or one tittle from the things that were revealed to them on the Day of Pentecost. They did become weary and worn out wrestling with spiritual wickedness in high places. The Apostle John was the Apostle whose life was preserved to be on the Isle of Patmos, to confirm all that Moses and the Prophets said was fulfilled in YAHSHUA to whom it was revealed to them, was YAHWEH-ELOHIM manifested. YAHWEH-ELOHIM chastised John about sitting in assemblies of YAHWEH, and hearing things that he knew were not true!! In his own epistle he tells this, and he corrected it by his epistle sent to the Seven Assemblies in Asia (or the World).

For twenty-six years, from 1932 to 1958, there was always Katie and the six children in classes with Dad. The times that one of us was not there for some reason, we never forgot the things he taught, and our lives with him. While Dr. Kinley lived at 624 Pleasant Street in Springfield, Ohio, the family was, once again, all together with him. When I lived with my Dad and Mom in the same home, I sat with Dad as he explained many things to me. He had told me several times that I was a better teacher than he was. Each time he would say this to me, I would wonder, what is he talking about? Finally, he explained, “Glenn, I don't mean that you know any more about the purpose of YAHWEH than I do. What I mean is that you will take a subject and teach it from start to finish and not miss a beat. I will take a subject, start out and blow up in the middle of it, so that nobody knows what I'm talking about unless they keep in memory things I've taught them before. That Glenn, is what I am talking about. Do you understand what I mean now?” I answered, “Yes, Sir.”

Months before Dr. Kinley went to California, but talked about going, he said to me, “Glenn, you and I cannot stay in one place for too long, because it is too much power in one place!” This he explained to me later, as why he insisted I remain in Ohio teaching the doctrine, as he preached and wrote it in California. At the time he appointed me President in Ohio, I had just turned thirty-one years old in April of 1958. During the time I remained there, Dr. Kinley communicated with me by way of ecto-plasmatic projection or VISIONS that kept me encouraged; and I knew what was going on in California and who was doing what, and what they were going to say and do. When I moved to California, teaching what Dr. Kinley had taught the twenty-six years he was in Ohio, I knew that it was directly connected to my being benched for seven years, and it proved that they could not accept Dr. Kinley and me preaching in the same place. Dr. Kinley instructed the ministers to have meetings, and to work together; even pair off, as the Apostles had done. After a while, in a minister's meeting, it was decided

by a couple of the “big guns” (as they called themselves) that I, Glenn, was a devil. They decided also that, Dr. Kinley should be placed in semi-retirement. I calmly asked the question, “How can you even think to semi-retire the one that taught us all? How would or could you even expect to grow in understanding by even considering this kind of notion?” Of course, I was called a devil again! Before this minister's meeting was adjourned, I asked to make one more statement, and the great ones gave me permission to do so! I told them all that I was going to do something that even the devil had never done, leave this minister's meeting and never return! I was already benched and now they were going to start by semi-retiring Dr. Kinley, and would have benched him also if they had their way. This meeting was held in the next block from where Dr. Kinley lived, so I left the meeting and went to see him and told him what had been going on, and that I told them that I would never go back. Dr. Kinley became vexed about what they were deciding, and he did not blame me for not wanting to go back. A few months later, Dr. Kinley called me by phone and asked me personally to attend a minister's meeting, and promised that he was going to take care of the matter. I promised that I would be there. Dr. Kinley was the only one that spoke, saying: “YAHWEH gave Me the Vision and Revelation and I have instructed you ministers to help one another, which you have not done! And, seeing that you will not do as I have asked, I am putting an end to the minister's meetings. Tonight is the last night. There will be no more!” Dr. Kinley closed the last minister's meeting, and went home.

Dr. Kinley, years ago, before and after he went to California, told the classes that the planets would line up in a row like the vessels in the Tabernacle. He said that it took hundreds of years for them to line up like this. As they would move back, as Man knew them to function in their own orbits, the Earth would experience drastic climatic conditions all over the world, that Man had never seen before. So somebody saying that Florida would experience the hottest summer weather that they ever had, is old news!

Dr. Kinley admitted that YAHWEH-ELOHIM had healed many people through him. But he also said, “Glenn, if you check the record of those that ELOHIM through YAHSHUA healed of many afflictions, they did not follow him from that day forward, that they might receive the baptism of the Holy Spirit. “He went on to say those that were healed through him, he knew that it did them more harm than good, in that, they did not remain in the School nor the Doctrine. The Doctrine that YAHSHUA, the Apostles and Dr. Kinley taught; was to bind up the wounds, for the healing of the nations, to take down the middle wall of partition, which was accomplished in the Messiah!! The Doctrine of the Kingdom was not to destroy the nations by erroneous doctrines and put them back into the bondage of Satan and his Ministers! There are those that profess that Dr. Kinley was

YAHWEH manifested among us, and yet if the international officers, deans (or whatever office they are supposed to be in) believed this, they most certainly would not be teaching and writing the damnable things I've read, heard and seen just in the past eighteen years alone!!

Should anyone teach everything, not just types and shadows, that Dr. Kinley taught in that they believed Him, they would not be permitted to speak, because it would definitely expose them as having lied and perverted the Truth; and this simply will not be tolerated! The speaker committees are based on those whom the dean likes or will go along with telling the moderator what scripture to read and who to call on! Some have said to me, "Didn't Dr. Kinley set up the speaker committee and these other things you talk about?" Yes, Dr. Kinley did do these things, but none of them will tell you why he did. He said he did everything he could do to cause them to get along with one another, and that he left no stone unturned, but he knew it would not work! By what Dr. Kinley said, it is true to this day, that they have not understood Him or the Apostle Paul who stated: "For as many as are led by the Spirit of ELOHIM, they are the Sons of YAHWEH. I have understood this by Dr. Kinley that this does not mean as many as are led by a dean or officer in the school; nor does it mean that the schools are democratic; republican; dictatorship; or a majority rule!

I know by the Pattern that it is a Pattern of Heavenly things, that being ELOHIM and the Angels that lost not their first estate in the Kingdom, wherein dwells righteousness, peace and joy. The Pattern of the Tabernacle given to and built by Moses and Israel, was the same pattern manifested in the wilderness (Holy Place) of Sinai. When one has been shown and knows how to use the Heavenly Pattern (ELOHIM) to prove what must take place on Earth, he would know that the stars did not fall at the time of Richard E. Kinley's death, when he was six years old in 1924. IF the stars fell at the time of Dr. Kinley's grief about his son's death, and he wanted to know if he was to be preacher in the holiness church, then YAHWEH would have been confirming that he was to remain a holiness preacher in the church. Now the problem is to prove how this would fit his being put out of the same church a few years later! It was six years after Richard's death that Dr. Kinley received the Vision and Revelation in 1930! When Dr. Kinley did go back to the church, using the Elementary Chart and expounding what YAHWEH had shown him, he was rejected and his expulsion from the church, as far as they were concerned, STOOD FAST! Stars in the Heavens are figures of Angels ministering unto Man, as he walks through life on Earth, in darkness, seeking to know his Creator, YAHWEH-ELOHIM. Stars that fall from Heaven lose their place of Origin and their lights are figures of Lucifer, Satan or the devil and his host, cast out of Heaven and become ministers of darkness. ALL that Dr. Kinley thought (as a holiness preacher) to

be of the Creator and his righteousness, was the Doctrine of Lucifer or Satan that fell from Heaven, and started to operate the Mystery of Iniquity on Earth, beginning in the Garden of Eden, through the first Age (or World), the second and the third Age (or World), or Present Kingdom Age. Hence, the stars falling was the falling of all Satanic doctrine from beginning to end, and Dr. Kinley could be at rest that what was shown to him in the Vision and Revelation, was of YAHWEH! He never said, "I will teach your people your will YAHSHUA," as it written in the book (with the picture of the house at 1008 Park Avenue on the cover) on page 6. I have, written in me, the way he originally taught it and the original writing he wrote; and it does not say anything like this nor does he mention YAHSHUA! What Dr. Kinley and the Apostles did teach, was that YAHSHUA WAS YAHWEH-ELOHIM manifested in a prepared sacrificial body fulfilling what he had already instituted in the Law and the Prophets!

In traveling and visiting with schools, just from Springfield, Ohio to Detroit, Michigan, I have heard two different versions of the Vision and Revelation along with both schools, like all the others, saying it happened in 1931! Springfield states that nobody has ever seen falling stars! California, Springfield and Detroit state that the Vision was in the Dining Room. And, Detroit states the Revelation was given on the Front Porch. This and all the other erroneous things I have heard, personally, is definite proof that abomination of desolation is standing where it ought not (IN I.D.M.R.)!

I have tried for at least fifty-five years of my life to teach those things that YAHWEH (Dr. Kinley) has taught and revealed to me. I have never quenched, been rude, called others a devil, or in no way tried to get back at anyone about anything. I was never called on or asked to speak in any of the conventions from 1967 to 1975, and that is fine with me. I have no complaints! I am not guilty of promoting any of the false doctrine I have heard. What YAHWEH has shown me has caused me not to be shaken, even by many that I taught, when they first started in classes. This book I've mentioned, states that in the 1967 Convention, during Dr. Kinley's lecture, he demonstrated (using a shepherd like staff) what happened when Moses at the burning bush threw down the rod. It is mentioned on page 32, that there were some that saw the rod turn into a serpent, and that you could hear the commotion on the audio tape. I was there and saw the commotion, and heard what was said. Listen to the tape again and tell the WHOLE story. You will hear Dr. Kinley, when the commotion started, he stopped, looked at the audience and said, "Oh no. This rod is NOT going to turn into a serpent. That was back there with Moses. Types and shadows are out in this Age." Then, Dr. Kinley went on with his discourse. Mentioned on the same page, is the name of the person that sat on stage in a trance. This person believes that He is the true Messiah and Dr. Kinley was his forerunner. Shortly afterwards, it

states that some went out to start schools, proving that from the Convention in 1967 (in Springfield, Ohio right where the Heavenly Vision and Revelation was given) confusion and erroneous doctrine began to go forth upon the Earth!!

There is another book wherein twelve lectures are compiled of Dr. Kinley from 1958 and copyrighted again in 1993. Why would anyone continue to print the erroneous names in any of his works (and NOT put them in the writings) knowing the true names by which Man MUST come back to for salvation? He himself said, "I am going to drive the World into putting the true names back into the Bible!" It was not long afterwards, that the Holy Name Bible came out on the market. If there is no other name given whereby Man must be saved, saving the name, YAHSHUA, then why print the erroneous names in the lectures, and put the Charts in the back with the correct names? Dr. Kinley did write or put the true names, first in those he taught (the real books), then in his writings! Yet, you did not go through the lectures, and put in the correct names where they would have been properly and divinely applied to what Dr. Kinley taught; so that the lectures would be of even greater help to the people that read them! It would have ended once and for all, having to explain the erroneous names in any of his lectures. Thus, it would have conformed to all the writings that were done after he wrote, using the correct names! Instead, you chose to do this research and video tape by personal interviews; by phone; through conversations, letters, etc., and label them: "The Life History of Henry C. Kinley." Then, when you did get around to reproducing his lectures from 1958, thirty-five years later, and copyrighted in 1993, the first thing you did in the first lecture and the second sentence dated December 9, 1958, was change his statement about 1932 to read 1931. The year 1932, mentioned by Dr. Kinley, proves what he and I have been trying to tell everyone for years! It was the year he began to teach! My mother, Katie, had a picture of the Elementary Chart in her china closet for many years. When she passed away, the picture was given to me. The frame being old, came apart and the glass broke. When I took the picture out to put it in another frame, I turned it over, and written on the back, in my mother's handwriting was, June 22, 1932! In your research and all of your documents, however they were obtained, why did you deliberately and conveniently overlook the fact, that of the family of Henry and Katie, there are three of their children, Rachel, Glenn and Jack, still living? We were not called, written or asked anything about our father's life! Some years ago, when California wanted to change the Charter again, they found out that Dr. Kinley had put his daughter, Rachel and her husband down as original chartered members of the California school. California officers had a person, in Springfield, go to Rachel's home for her to give written consent to change the Charter. Rachel and her husband would not sign, saying, first of all they did not know that they had been recorded as charter members; and second, they did not have any desire to change anything Dr. Kinley had set up!

This, however, did not stop California from doing anything they wanted to do and they changed the Charter again, even though Dr. Kinley had told them all years ago, that the Charter he wrote lasted this long and he believed it would last until the curtain came down! In the book about Dr. Kinley, there are supposed to be facts like this and numerous others, mentioned in a demeaning manner of people, while trying to impress others of your loyalty to Dr. Kinley, and promoting the Doctrine he taught. So, to get back at Rachel for not signing for the Charter to be changed, you made sure that a damn lie was written on page 15, that Rachel prayed that our brother Clifford would die (when he was burned) rather than live, and Dr. Kinley would be proven wrong! Rachel did not say this and why would you have not gone to her and asked if it was true or not? This is the way you do things! The truth is, when our father said: “Clifford, would not die,” Rachel simply asked him: “How do you know? Are you a doctor?” Katie, Dr. Kinley's wife, nor any of their children opposed him! And, no one can prove that we opposed him, because it is not true! What we are guilty of, is not understanding what he was teaching at first and I don't believe anyone did when they first heard him teach. Dr. Kinley said he did not worry about his wife and children, because he knew and had seen, that all of us would be one with Him in the Gospel!

Dr. Kinley taught over the years that, his family (Katie and his children) has had Visions that confirmed that he did receive a Vision and Revelation. Of course, this has never been accepted by anyone that I know of in the schools. However, it is accepted by many, that these teachers, deans and officers of the School have had a Vision, because they will say that they have! If this were really true, knowing first that each Vision and Revelation must come from the same source, then why is it that things that are being taught in one school are rejected by another? What Moses saw by way of Vision, was in harmony with what others saw by way of Vision; and John, by Revelation on the Isle of Patmos, confirmed them all!

I have left out “names” concerning the things I have written herein because a letter was sent to me in California by an international officer accusing me of “character assassinating” the “good people” in the school! In my letter, at that time, I wrote and named the persons that said whatever, to me. I did not lie. The persons I named, did say what I wrote. The letter sent to me was written because I will not go along with California and the brow beating tactics about the Vision and Revelation given to Dr. Henry C. Kinley! I have taught this Doctrine faithfully for over fifty-five years with twenty-some years of it around those in California. I don't have to call, write or get someone to tell me anything about what has been taught in the schools; for I have personally watched, heard and have seen everything that the schools have done. I have it on audio and video tapes, to prove what I have said is true! So, who is really doing the “character

Assassinating?” I mean here, in no uncertain terms, that California and other schools are “assassinating characters,” beginning with Dr. Kinley; by teaching things that he did not, could not, or would not teach!

In order to even understand and appreciate the depths of what I am saying, you would have to first know what Dr. Kinley taught. I have openly opposed and faced anyone that teaches anything that is contrary to what Dr. Kinley, Moses and the Prophets taught and was fulfilled in YAHSHUA the Messiah, the true ELOHIM (or Holy Spirit). I have not taught anything that I knew to be wrong behind anybody's back. I've taught the truth face to face! So, it cannot be truthfully said that I did not try to help the schools I visited in their understanding. This is something else that I have tried to correct. It has been taught that “ICE” is the concrete state of water, and it is believed to be true! This is what I mean when I say that you must first understand what Dr. Kinley and the others whom YAHWEH revealed himself to, said! Moses did not say that: “In the beginning, the Spirit of YAHWEH moved upon the face of the “ICE!” Moses did not say that Adam would sweat “ICE” until he returned back to the dust of the Earth. By the pattern of the Tabernacle, Moses did not put “ICE” in the Brazen Laver. YAHSHUA with Moses did not take Israel through the Red Sea that was “ICE!” When YAHSHUA was in the Garden of Gethsemane, it does not say that great drops of “ICE” fell off of his face! I know that this is not true! This is not what anybody that YAHWEH has revealed himself to would ever say! Further proof of this not being true is, beginning in the Most Holy Place of the Universe, dealing with the Invisible Elements, you have oxygen and hydrogen that are abstract or cannot be seen with the naked eyes. As these two elements come together in the Holy Place, in a conglomerate state of centrifugal force, they begin to form water; but yet cannot be seen until it falls through the veil into the Court Around About, where the water is upon the face of the Earth or the water in the Laver. By the Supernal Nature of YAHWEH, beginning again in the Most Holy Place of the Universe, as compared by the Most Holy Place of the Tabernacle, YAHWEH is Spirit or Abstract; that is to say, He was inscrutable, and incomprehensible, moving downward to the Holy Place of the Universe. And, He could only be seen in a Vision, just as Israel could not “see” the High Priest functioning in the Holy Place of the Tabernacle. When YAHWEH-ELOHIM was manifested as YAHSHUA, this is the concrete state or physical form that you could see “YAHWEH” with the eyes, just as you see the water in the Laver with the eyes. Now, this was summed-up many times by Dr. Kinley saying, “Matter is Spirit materialized!” Moreover, that which was inscrutable and incomprehensible is now scrutable and comprehensible. That began on the Day of Pentecost, and is still going on!!

*I would say, that if things like this and other things that I have mentioned (and so much that I have not mentioned) are being taught, and you will not be corrected by the scriptures, then I would suggest that you do as religions have done before. Start a school of your own. Write a Charter. Give your school a name. Paint your own charts. And, teach your own vision and revelation, time and date, and leave the Institute that Dr. Kinley founded and taught, which YAHWEH showed him, ALONE! Moreover, I am demanding an apology and an admission of your erroneous doctrine, behavior and conduct that is unbecoming of teachers of YAHWEH. And, also for giving authority to those that you have taught, endorsing them to go out and start schools with the same garbage that they got from you. This and all erroneous doctrine from wherever or whoever is teaching such things, **MUST STOP!** I want a general assemble meeting called of all of the schools (the student body included), not just a select few! And, let's try to reconcile everyone to the true doctrine that Dr. Kinley taught. If you choose not to do this, then I am demanding that all of you in California and wherever you are - **STEP DOWN** out of office and **STOP** deceiving people into thinking that you are so Holy and so right that you cannot be touched! I want you to gather up all the material you wrote and composed, without the consent of Dr. Kinley's children, that are yet living. Even though you did this, you did not think enough of us to send us a copy of "The Life History of Dr. Henry C. Kinley," saying at least, "this is what we did about the life of your father, and we thought you might like a copy!"*

To you (the so-called leaders) that are led to believe that I am a devil or whatever you call me, stop and think. Why is it that you don't want to come around me. It is certainly not because I did not behave myself as I was taught from my youth up, around any of you; even when you took "pot shots" at me from the floor, trying to discredit something I taught. It's because you know that I can prove what I have taught and it will expose you for what you really are, hypocrites!

I have never objected to any office or position that you may have in the school. What I do object to is anyone teaching something that is not right and giving the impression that my father, Dr. Henry C. Kinley, taught you those things that are NOT TRUE.

If you come to the conclusion that you will not have a general assembly meeting, and do not answer my demands or requests by letter, the next letter you will receive will be accompanied by documents with names, places, and events, from me, to go to court; and, let the courts decide if you have the right to do and say the things you have done that discredit, plagiarize, and try to make my father out to be a liar!! I must put a stop to this erroneous doctrine or I would not be a true Son.

Believe me when I say,

Sincerely,

Glenn W. Kinley

Dr. Glenn W. Kinley
